Zoom Bombing – Prevention Checklist

Before Your Meeting:

- Restrict **screen sharing** to host/co-hosts only.
- Require **registration** and avoid posting links publicly.
- Enable the **waiting room** and admit attendees individually.
- Ensure only the **host can record**.
- Assign co-hosts for **participant monitoring**.

Zoom Bombing – Prevention Checklist

During Your Meeting:

- Watch for suspicious or duplicate display names.
- Lock the meeting once all expected attendees are present.
- Remove disruptive participants immediately.
- Disable re-entry for removed participants.

Zoom Bombing – Prevention Checklist

If Disrupted:

- Pause or end the meeting quickly.
- Reassure attendees and share a new link if needed.
- Follow up with participants afterwards.
