on Streamyard

Join us for an inspiring & empowering day of speakers for ITTs - grow consciousness, build confidence & develop competence in DEIB matters.

The 'DEIB Virtual Conference for ITTs' is an annual opportunity for trainee teachers to come together for a day of raising consciousness, competence and confidence when it comes to DEIB and their teaching practice.

Get the date in your providers 2026-27 calendars!

We have curated a brilliant line up of people to share their expertise and experience - they will share practical tips on how to create an inclusive classroom and an inclusive curriculum.

The sessions will be reflective, discursive and practical. They will be recorded and available for ticket holders afterwards.

For the 2026-27 academic year the event will be held on Friday 29th January 2027. The cohort ticket price enables trainees to attend both parts of the event live or to catch-up via the recordings.
