

PHASE ONE SEATING FOR SHAW SHORTS

We're looking forward to welcoming you back safely. In phase one for SHAW SHORTS we have removed all the bench seating from the lower level and introduced individual seats in bubbles of one and two. On the upper level we will have bubbles of one, two, three and four seats available. All seats are socially distanced and guaranteed to be at least 1m apart. Audiences should wear face masks unless exempt and safety measures detailed on page 4 will be in place.

Phase 1

- Raised seats (lower floor)
- Individual seats (lower floor)

Upper level entrance and new lower level entrance from street level
