The Story: Part One

You meet a family called the Darlings. There is a mother, a father and three children: Wendy, John and Michael. They have a dog called Nana. This is a puppet.

You then meet the family's maid. She uses a very loud vacuum to blow the leaves away.

You then meet Peter Pan. He is from an imaginary place called Neverland.

Peter Pan can fly but this is not real. He is held up by wire.

Peter Pan sneaks into the children's bedroom when they are asleep to find his friend called Tinkerbell.

You don't see Tinkerbell. She is a light that moves around the stage and sounds like a bell.

Wendy wakes up and sees Peter Pan. Wendy asks Peter Pan to teach her how to fly.

She then wakes up her brothers so they can all go on an adventure to Neverland.

The Story: Part Two

Wendy gets hurt on the way to Neverland. This is not real.

You meet Peter Pan's friends, The Lost Boys. Wendy becomes their mother.

A mean pirate called Captain Hook also lives in Neverland. Captain Hook wants to catch Peter Pan.

Peter Pan takes Wendy to see the mermaids. They see Captain Hook leaving a woman called Tiger Lily on a rock to drown. Peter Pan saves her.

Wendy and her brothers decide to go home. The Lost Boys go with them. Peter is not happy about this.

Captain Hook catches Wendy and her brothers. He tries to make them walk the plank. Peter Pan flies in and saves them. Captain Hook falls into the water and is eaten by a crocodile.

Peter Pan wants to stay in Neverland but says that he will visit them.

The end.
