Travel Times from Woolwich

This screenshot shows the TravelTime API demo interface. The browser address bar displays the URL: `app.traveltime.com/search?0-lat=51.48946&0-lng=0.06806&0-title=Royal%20Borough%20of%20Greenwich%2C%20Greater%20London`. The interface includes a search bar with the text "Show reachable" and "Choose places", a "FILTER INTERSECTION" button, and a "ROUTE" button. The map shows the Royal Borough of Greenwich area, with a travel time of 0h 30min and "Public Transport" mode selected. The map includes labels for various locations such as Barking, East Ham, and Woolwich. A "Rate our transport data accuracy" button is visible in the bottom right corner of the map area. Below the map, there is a list of image thumbnails with IDs: AID09382.jpg, AID09333.jpg, AID09332.jpg, AID09287.jpg, and AID09223.jpg.

This screenshot shows the TravelTime API demo interface with a different travel time. The browser address bar displays the URL: `app.traveltime.com/search?0-lat=51.48946&0-lng=0.06806&0-title=Royal%20Borough%20of%20Greenwich%2C%20Greater%20London`. The interface is similar to the first screenshot, but the travel time is now 0h 45min. The map shows a larger area, including locations like Barking, East Ham, and Woolwich, with a travel time of 0h 45min and "Public Transport" mode selected. A "Rate our transport data accuracy" button is visible in the bottom right corner of the map area. Below the map, there is a list of image thumbnails with IDs: AID09382.jpg, AID09333.jpg, AID09332.jpg, AID09287.jpg, and AID09223.jpg.

Rose Bruford College

Home

Welcome to Rose Bruford College, a proudly independent creative arts institution, where students learn to create collaboratively.

Their "goal is to inspire, excite and train you as a creative artist and practitioner who can use reflective practice and research, along with the world-class teaching we provide, as tools to become an independent thinker and a fulfilled and successful working professional."

University of East London

"Our academic staff create a diverse and innovative learning environment that will not only challenge you but also expose you to a rich mix of culture and knowledge.

You will be supported by excellent technical and administrative staff and the courses are taught in purpose-built facilities to ensure you have a full suite of resources available to you throughout your study. We are at the heart of the cultural life of our local communities and of London itself: supplying some of the key talent, skills and ideas that will help shape the future of the UK's creative economy."

Your Future Summer School Challenge 2023

The University of East London's Outreach and Access Team is very excited to announce the return of our *Heist Award highly commended Summer School 2023.

The University of East London is a careers - first university and we will be offering a three-day on campus experience for Year 12/FE1 students, aged 16-18, across a variety of exciting subject areas.

Students will be challenged to work to an industry led brief in a chosen subject area. You'll be able to gain first-hand experience through a variety of activities and workshops delivered by our team of academics, industry professionals, outreach practitioners, UEL ambassadors, and alumni.

Sustainability, creativity, technology, and self-development are core themes running within our summer school this year. We aim to help you develop invaluable transferable skills and knowledge in these areas.

Not only will you have fun on campus, there will be opportunities to network with many different people! Please note that our summer school is non-residential, and no accommodation will be provided

Beats, Bass & Amps: Music production 101 – Music Summer School

This Summer School will introduce you to the various ways to think and explore music creativity from different perspectives. You will learn how to record and process your own sounds, build sample-based instruments and make a song using your sounds along with other industry standard music software. You will also gain an understanding of the wider music ecosystem and pathways you can pursue throughout your career. Your journey starts here!

Dive into Digital Storytelling - Media, Film & Journalism Summer School

This year's summer school will offer new and exciting ways on how we perceive and engage with the digital world. Using Tik Tok, YouTube and Spotify we will write and produce creative and professional content that align with your passions. You will get the opportunity to explore your interests through storytelling on a digital project. With the opportunity of meeting industry insiders, tell us what is your story?

What can the Summer School give you?

The UEL Summer School Challenge 2023 is an amazing opportunity for you to:

- Gain more knowledge about your chosen field and the career opportunities it can lead to!
- Develop invaluable transferable skills, which are important for succeeding in higher education and beyond!
- Respond to an industry brief, gaining hands on experience of your subject - a perfect addition to any personal statement!
- Access to our interactive careers workshops
- Have any questions about university and careers answered by the experts
- Experience university life first hand, network, and, most importantly, have fun!

Who can apply?

The summer schools are open to students who are resident in the UK and are both in Year 12/FE1 and 16-18 years old. Everyone is welcome at the University of East London.

Spaces are limited!

If you have any questions about the summer schools or need support with completing your application, please email

outreachandaccess@uel.ac.uk

for the attention of Chantelle or Austin.
