Having a broad range of brands to choose from through Lifestyle is great, it allows our colleagues to choose something that is important to them be that LEGOLAND or ASOS! The personalised wallet they receive with every voucher is great and makes each voucher feel extra special.

We moved over to Lifestyle vouchers for staff incentives a few years ago and it's been a great change with lots more choice for the team on where they can spend the vouchers. It's an easy company to do business with.
