About NACEL

NACEL, the National Audit of Care at the End of Life, is an audit which aims to improve end of life care across the UK. The data collected from this survey is a valuable element of NACEL. For more information about all aspects of the NACEL and the audit outputs please visit: www.nacel.nhs.uk.

If you feel upset or distressed, you do not have to continue with the survey.

About confidentiality and data protection

- The information you provide in the survey is anonymous and confidential.
- By completing the Staff Reported Measure, you are consenting to the use of the information you provide in the National Audit of Care at the End of Life reports.

Notes on completing the survey.

- To access the survey, please select the 'Continue to Survey' button below.
- The survey will take 5-10 minutes to complete. Please be aware that once you have submitted your response, no further changes can be made.
- The survey will be open to complete during **Q1 (1st April – 30th June 2026)**.

Thank you for taking part in the survey – your input will help ensure that the best possible care can be delivered to people at the end of life and those close to them.
