### How to register for a project

Project registration will open on the 17th March 2025.

From then, member organisations can register for a 2025/26 project via the following steps:

1. Login to the NHS Benchmarking Network members' area: <https://members.nhsbenchmarking.nhs.uk/home>
2. Locate the projects of interest. They will either appear under the "your current projects" or the "other NHSBN projects" section.
3. If the project is open for registration, there will be a green "register" button to the right hand side of the project name.
4. Click on this button and complete the registration form.
