Amdanom ni...

Crëwyd y Ganolfan ym mis Tachwedd 2021 a daeth â dau frand cyfarwydd o fewn y sector addysg yng Nghymru ynghyd.

Rhagoriaith

Mae Rhagoriaith yn un o ddarparwyr hyfforddiant Cymraeg mwyaf blaenllaw Cymru yn y sector addysg ac yn un o ddarparwyr Llywodraeth Cymru ar gyfer y Cynllun Sabothol i Athrawon a Chynorthwyywyr Dosbarth. Mae Rhagoriaith yn gallu darparu cyrsiau pwrpasol ar gyfer ysgolion i fodloni gofynion penodol, e.e. gwersi un-i-un neu ddarpariaeth datblygiad proffesiynol. Mae'r cyrsiau hyn wedi'u hanelu yn benodol at godi hyder a hyfedredd ymarferwyr a dysgwyr, codi safonau ar draws yr ysgol a helpu i ddatblygu gallu unigolion i addysgu'r Gymraeg ar draws y cwricwlwm ar bob lefel.

Peniarth

Ers blynyddoedd lawer, mae Peniarth wedi bod yn un o'r prif ddarparwyr adnoddau print a digidol sy'n gwasanaethu'r sector addysg yng Nghymru gyfan o gyfnod y blynyddoedd cynnar i addysg uwch. Mae Peniarth wedi creu cannoedd o adnoddau sy'n cynnwys cynlluniau darllen poblogaidd fel Tric a Chlic, nifer o apiau a gwefannau. Ariennir llawer o'n hadnoddau gan Lywodraeth Cymru ac maent yn cefnogi sefydliadau addysg i weithredu'r Cwricwlwm i Gymru.

About us...

The Centre was created in November 2021 and brought together two familiar brands within the education sector in Wales.

Rhagoriaith

Rhagoriaith is one of Wales' leading Welsh language training providers within the education sector and one of the Welsh Government's providers of the Sabbatical Scheme for Teachers and Classroom Assistants. Rhagoriaith can provide bespoke courses for schools to meet specific requirements, e.g. one-to-one lessons or professional development provision. These courses are specifically aimed at raising the confidence and proficiency of practitioners and learners, raise standards across the school and help develop individuals' ability to teach Welsh across the curriculum at all levels.

Peniarth

Peniarth has for many years been one of the main providers of published and digital resources servicing the education sector in Wales as a whole from early years to higher education. Peniarth has created hundreds of resources which include popular reading schemes such as Tric a Chlic, numerous apps and websites. Many of our resources are funded by the Welsh Government and complement the implementation of Cwricwlwm i Gymru.

Mae'r adnodd trawsbynciol arloesol hwn a ddatblygwyd gan Peniarth yn rhan o weledigaeth Llywodraeth Cymru i alluogi athrawon a dysgwyr Cymru ddysgu ac addysgu am hanes amlddiwylliannol ein gwlad, ac am amrywiaeth yng Nghymru ddoe a heddiw. Mae'n cefnogi pob un o Chwe Maes Dysgu a Phrofiad y Cwricwlwm i Gymru.

Mae astudio hanes a hanesion Cymru yn elfen bwysig o waith bodloni pedwar diben y Cwricwlwm i Gymru wrth i fframwaith y cwricwlwm newydd adlewyrchu Cymru, ein treftadaeth ddiwylliannol a'n hamrywiaeth, ein hieithoedd a'n gwerthoedd, hanesion a thraddodiadau ein cymunedau a'n holl bobl.

Mae'r poster yn cynnwys 20 ffigwr allweddol sydd wedi cyfrannu at lunio'r Gymru fodern, a thrwy ddefnyddio'r cod QR ar y poster ceir mynediad i wybodaeth pellach am bob un yn ddigidol ar Hwb. Gellir defnyddio'r ddwy ran fel sbardun i waith trafod ac ysgogi gwaith astudio pellach o fewn grŵp, fel dosbarth cyfan neu'n annibynnol.

As part of an exciting project funded by the Welsh Government, every school in Wales has received copies of a Brethyn Cymru poster.

This pioneering cross-subject resource created by Peniarth is part of the Welsh Government's strategy to enable Welsh teachers and learners to learn about our nation's multi-cultural history and diversity in Wales throughout the ages. It also supports the Curriculum for Wales' Six Areas of Learning and Experience.

Studying Welsh history is an important part of fulfilling the four purposes of the Curriculum for Wales, as the new framework reflects Wales, our cultural heritage and diversity, our languages and values, and all our communities' and people's histories and traditions.

The poster includes 20 key figures whose contributions have helped shape modern Wales, with QR codes that will enable access to further digital information on each one on the Hwb platform. Both media can be used to initiate discussion work or facilitate further study within groups, whole classes or individually.

English-medium schools version

What is Tric a Chlic?

A structured Welsh synthetic phonics programme that underpins the teaching of reading and spelling as well as building vocabulary and developing meaningful reading.

What is synthetic phonics?

The essence of a synthetic phonics programme is to teach sounds with the corresponding letters in a certain order, form them, then combine the sounds to read and segment the sounds into spelling.

Tric a Chlic will:

- teach sounds with their corresponding letters and their formation
- teach combining sounds to read and segment sounds to spell
- encourage fluency and expression when reading
- use a multi-sensory and interactive approach
- regularly reinforce actions
- move quickly from one stage to another.

This version has been adapted for learners in English medium schools who have already begun learning to read in English.

Stonewall CYMRU

Mae Peniarth wedi cyhoeddi cyfres o lyfrau newydd arloesol i blant sy'n cynnwys teuluoedd o'r un rhyw.

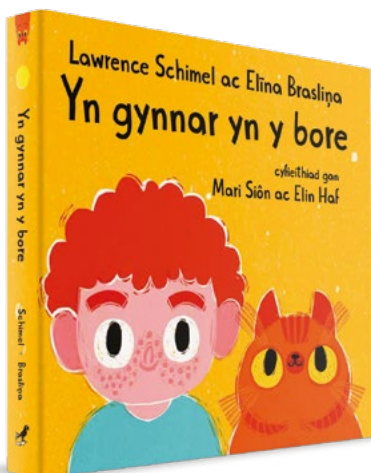

Cyfieithiadau Elin Haf a Mari Siôn o lyfrau'r awdur Sbaeneg Lawrence Schimel ac Elina Brasliņa o Latfia yw 'Yn gynnar yn y bore' a 'Dim Chwarae, Mot!'.

Ysgrifennwyd y llyfrau yma'n wreiddiol gan Lawrence Schimel fel ymateb i'r galw cynyddol i ehangu'r farchnad lyfrau i gynnwys straeon yn cynnwys teuluoedd o gefndiroedd LHDT+. Erbyn hyn mae'r llyfrau wedi cael eu hargraffu mewn dros 30 o wledydd ac iethoedd gan gynnwys nawr yng Nghymru ac yn y Gymraeg. Mae Peniarth wedi gweithio mewn partneriaeth â Stonewall Cymru a Llywodraeth Cymru i sicrhau bod un llyfr wedi ei ddosbarthu am ddim i bob ysgol gynradd yng Nghymru.

Peniarth has published a series of innovative new books for children that include same-sex families. 'Early One Morning' and 'Bedtime, Not Playtime!' are Elin Haf and Mari Siôn's translations of books by the Spanish author Lawrence Schimel and Elina Brasliņa from Latvia.

These books were originally written by Lawrence Schimel as a response to the growing demand to expand the book market to include stories involving families from LGBT+ backgrounds. The books have been printed in over 30 countries and languages including now in Wales and in Welsh.

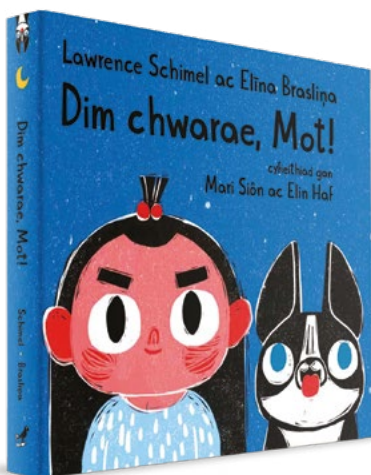

Peniarth has worked in partnership with Stonewall Cymru and the Welsh Government to ensure that one book has been distributed free to every primary school in Wales.

Cyfres Cnoi Cil

Mae Cyfres Cnoi Cil yn gyfres o lyfrau darllen sydd wedi eu datblygu'n benodol ar gyfer darllen cilyddol, neu ddarllen tîm, sy'n defnyddio strategaeth benodol i wella dealltwriaeth o ddarllen.

Yn gynwysedig gyda'r llyfrau ceir cardiau chwarae rôl. Mae pum rôl o fewn y tîm: Rhagfynegwr, Esboniwr, Cwestiynwr, Crynhowr, ac Arweinydd (i lywio'r drafodaeth). Mae'r pum cerdyn yn eguro gofynion pob rôl ac yn enghreifftio'r math o iaith y dyldid ei defnyddio wrth drafod gyda'r tîm a chyflawni'r rôl honno.

Mae pob llyfr wedi ei rannu'n bum thema, gyda thestun y themâu yn ymestyn dros ddwy dudalen. Gall pob thema fod yn destun un wers neu'n weithgaredd darllen wythnosol.

Bydd eicon pob rôl yn ymddangos mewn man penodol o fewn y thema i ddynodi ble gellir annog trafodaeth i hyrwyddo'r sgiliau perthnasol.

Cnoi Cil is a series of reading books specifically developed for mutual reading or team reading, and uses a specific strategy to improve understanding of reading.

Included with the books are role play cards. There are five roles within the team: Predictor, Explainer, Questioner, Conceptor, and Leader (to lead the discussion). The five cards explain the requirements of each role and exemplify the type of language that should be used in discussion with the team and in fulfilling that role.

Each book is divided into five themes, with two pages dedicated to each one. Each theme can be the subject of one weekly lesson or reading activity.

Each role icon will appear in a specific area within the theme, to identify where discussions can be encouraged to promote the relevant skills. These books are only available in Welsh.

Rhagoriaith is part of the University of Wales Trinity Saint David's Welsh Language Services Centre. The Centre is responsible for promoting the University's Welsh ethos and offers a programme of language training for staff and students. It also operates as a professional agency with specialism in delivering Welsh language training to schools and external clients as well as working collaboratively on Welsh projects.

Rhagoriaith has experienced staff and lecturers who have taught the Welsh language in an educational context for many years. We pride ourselves on our ability to offer a wide range of bespoke training programmes of the highest quality to the education workforce.

Here are examples of the type of training sessions we can provide:

- The National Sabbatical Scheme for Teachers and Teaching Assistants

Rhagoriaith delivers these courses in Carmarthenshire, Pembrokeshire, Ceredigion, Powys, Swansea and Neath Port Talbot. A range of courses across all levels are held annually on several campuses.

These are Welsh Government funded courses and their aim is to upskill the education workforce and have a far-reaching impact in raising Welsh language standards nationally. The fact that the Welsh Government also contributes towards supply costs to relieve staff from their duties is a big advantage.

These courses are both popular and successful, and spaces are limited. If you are interested in attending a course or if you'd like more information, [please contact us](#).

We can also offer:

- Bespoke language lessons for staff INSET days or after-school sessions
- One-to-one language lessons for teachers or school leaders
- Methodology and pedagogy sessions on teaching and learning Welsh effectively across the curriculum
- Activities and strategies to develop your learners' Welsh reading skills
- Curriculum planning workshops - how to plan Welsh language learning across all Areas of Learning and Experience
- Language awareness and Welsh language standards training for support and administrative staff.

If you have any other training ideas, [please contact us](#) to discuss what we can offer you!
