

An Educational, Empowering & Entertaining Presentation For The
Busy Professionals Attending Your Event

Why Time Management Is Impossible ...And What To Do Instead.

The Problem

- Busy professionals overworked & overwhelmed.
- Too much to do, too little time to do it.
- Workload stress impeding their ability to do the work.

Key Takeaways

- ✔ 1 trick to take control of email.
- ✔ 3 simple ways to deflect distractions and interruptions.
- ✔ 5 strategies to side step procrastination.
- ✔ 7 productivity hacks for instant impact on any workload

The Benefits

- Inspired to apply takeaways.
- More focused with “on tap” deep concentration for tasks.
- Live & breathe a “DO IT NOW” action oriented mindset.
- Take back control of their busy day & get even more done.

- ✔ Highly engaging & interactive
- ✔ 45 & 60 min versions
- ✔ Supporting breakout sessions available

“Michael's enthusiastic delivery, innovation, creativity and methods are quite exceptional, giving members the opportunity to sustainably save significant time each week”

Sir Eric Peacock
Academy of Chief Executives
