& ACCESSORIES

For 120 years Beatrix Potter's tale of Peter Rabbit has captured the hearts and minds of the Great British public. Peter Rabbit is part of the collective memory of a nation, those most formative first years for us all, precious and enriched by these carefully crafted characters today evoke nostalgic reflection.

Our beautiful Peter Rabbit range is nearly here...

The story of Peter Rabbit originated from a series of letters written by Beatrix to help cheer up her late Governess' son, Noel. These letters, which began in 1893, were tales written after Potter's real-life pet rabbit named Peter.

We are licensing artworks from Penguin Books and have created our own Peter Rabbit world for the home. Our children's range of bedding and accessories is available to preorder now. A further range of nursery bedding and accessories will be available from March 2023.
