

# Cushions & Throws Collection

Autumn/Winter 2026 Preview Lookbook

[www.rivahome.com](http://www.rivahome.com)

# FURN.

Wrap up in comfort this season with Furn's Autumn Winter collection — a cosy mix of trend-led cushions, soft throws, new fan favourites, and fresh seasonal additions designed to add personality to every corner of your home.

## Meridian

With our *best-selling* Meridian cushions, you can mix, match, or go bold with your interior palette. Our new additions for the AW26 collection embrace autumn's most sought-after colours, combining cosy seasonal warmth with on-trend styling.

Comfort and joy...

Our new Christmas cushions and throws are here to turn any home into the ultimate festive hideaway. Think soft matte velvet with embroidery, and just the right touch of sparkle to make everything feel a little more magical.

Dreamy fleece throws with embroidery are perfect to snuggle up with on those frosty winter nights, and striped faux fur cushions are warm, inviting, and full of festive charm.
