## NYURI

*Nyuri moves on from Akamba focussing on the intricate details of tropicals, and the patterns within the tropical paradise. A forever favourite in interiors this trend appears time after time, thus Nyuri revives the popular theme with a slightly different take. Using a mixture of soft and vibrant colours to create an exhilarating yet commercial aesthetic. Simplistic block print style patterns intertwining with tropical birds and fauna, capturing a story of traditional print design, with a more abstract look. A recent trend of frames in interiors inspires the geometric framing of designs, enclosing a world deep within the tropical lands.*

VALERA

*A history of pattern, and colour from multiple regions come together to take you on a journey through intricately painted designs. Mediterranean blues and gracious greens, sift their way through classical tropicals, and simplistic block prints. Valera explores the merging of two worlds through print and pattern, creating a refreshing look perfect for the summer. Renowned for their Indoor/outdoor look, Mediterranean interiors often create an ambience filled with rustic fabrics and eclectic colours, Valera combines this with the ever lasting tropical world to create a collection that brings the essence of the Mediterranean to any home.*

## ISALO

Immerse yourself into the midnight gardens of this Madagascan dreamscape Isalo, with hand-painted exotic flowers with placements that depict ring tailed lemurs and majestic tigers. Tropics is still a huge focus in interiors, so Isalo has been created and inspired by previous trends yet with a tropical twist of majestic Madagascar and, its home to some of the world's most unique flora and fauna. We're heading into the season of change, Spring & Summer calls for sophisticated tropics that bring the outside in, with fresh and vibrant colour palettes.

### SALCOMBE

Salcombe is a beautiful nautical design range inspired by the deep sea creatures. The subtle striped background gives the collection a modern twist, which we see more and more within interior trends, especially soft furnishing and tableware. Detailed watercolour hand-paintings keep the designs sophisticated and almost real like. Meticulously crafted and printed in-house in the UK on high quality fabric paired with soft touch pipe. Salcombe cushions will elevate any decor with coastal sophistication like never before.

### SHUGBOROUGH

*The beauty of Shugborough, a rich blend of emerging foliage and wildlife. This collection was inspired by the scenery and rural surroundings of British countryside. Fresh soothing colours deep rooted in nature add forest flair to your interior and give an optimistic feel, ideal for an uplifting space and inviting the outdoors in. A timeless take on flora and fauna encapsulating rich tones of sage and vibrant hues of orange and neutral grounds keep you connected to nature, allowing the beauty of wildlife to shine through.*
