Country Heritage

Fabric & Wallpaper Collection

This collection brings together familiar favourites like Country Hedgerow and Morning Chorus in one beautifully curated pattern book, offering a perfect blend of tradition and modern refinement. From blooming florals and woodland creatures to meandering hedgerows and soft, moody skies, the Heritage Collection captures the essence of country living. Each pattern and fabric tells a story of craftsmanship, care, and enduring style, making it an ideal choice for homes rich in character, comfort, and timeless elegance.

Jedburgh & Elmore Fabric Collection

The Jedburgh & Elmore collection brings together two complementary fabric styles, offering a versatile range perfect for layered, design-led interiors. With its 26 colourways, Jedburgh features a classic herringbone weave that's both timeless and durable, ideal for upholstery and areas of high-traffic use. Its traditional structure is elevated by its range of colours, making it the perfect grounding fabric to pair with other Voyage prints and designs. The texture adds depth, while the rich palette offers flexibility across a range of interior schemes.
