for small sofas and colour
blocking!

I'm 55 x 55cm
Perfect for layering up behind
smaller cushions and on bigger
furniture!

A close-up photograph of a teal-colored cushion with a bright orange piping detail. The piping is a thin, raised strip of orange fabric that runs along the edge of the cushion, creating a sharp contrast with the teal fabric. The background is a solid, light orange color.

Contrast Piping for
the perfect pop
of colour! ✨

FURN.

A close-up photograph of a dark green, textured fabric cushion. A bright orange piping is visible along the edge of the cushion, creating a sharp contrast. The background is a solid, light blue-grey color.

Contrast Piping for
the perfect pop
of colour! ✨

FURN.

A close-up photograph of a pink fabric, likely a sofa or chair, featuring a gold-colored braided piping along the edge. The background is a solid dark teal color. The text is overlaid on the right side of the image, with a white line pointing from the text to the piping.

Contrast Piping for
the perfect pop
of colour! ✨

FURN.

A collection of colorful velvet cushions is arranged on a dark green sofa. The cushions include shades of orange, white, yellow, lime green, pink, and teal. The central focus is a yellow velvet cushion with a blue piping detail. The text 'MEET Meridian' is overlaid on the image in a light green color.
