He has visible tattoos on his arms. Surrounding him are various colorful cartoon creatures: a yellow dinosaur-like creature at the top left, a red and yellow dinosaur at the top right, a blue furry monster at the bottom left, a large orange furry monster with a blue tongue at the bottom right, and several other smaller, quirky creatures like a green alien-like figure, a red fish-like creature, and a blue creature with a face tattoo. The title 'HOW TO DRAW STUFF WITH CALVIN INNES' is written in a large, stylized font, with 'HOW TO DRAW' in black, 'STUFF WITH' in smaller black letters, and 'CALVIN INNES' in large blue letters with a black outline.
