You are unable to attend College

You are expected to aim for 100% attendance. If you are unwell or have another valid reason for absence (not a holiday), you are asked to telephone the College absence line before 9am on the day of your absence. Casual absence and poor punctuality leads to under achieving students.

You move house:

If you change contact details such as address or telephone number, report to the Student Information Desk at the main reception and complete a **change of details** form.

If things go wrong

Feel free to question, comment and, if necessary complain, if you think things are not right. Do so pleasantly and politely, but make sure you get an answer. Not all problems have a solution but members of staff can at least explain why things are as they are.

Your first point of contact will usually be your Student Advisor but if there are other members of staff you want to talk to, feel free to do so.
