Hello and welcome to our College.

I am delighted you have chosen to study with us, and am looking forward to meeting you (If I haven't done so already).

I am the Head of Department for Business, Media, IT and Travel and Tourism and this means I am responsible for ensuring you have all the opportunities and resources you need to succeed on your course, that the teaching and learning you receive is the best it can be, and that you have access to all the support, mentorship and encouragement you need to achieve your qualification.

We are immensely proud of our students, and if you promise to work hard, in return we will do everything we can to make sure you are achieving, and that you remain happy, motivated and on track to achieve your goals and dream career.

In these pages, you will find photos of all our staff so you can familiarise yourself with who will be teaching you, and who is available to support you whilst you study with us.

In addition, we have a whole team of people who work in our

Student Services department who are dedicated to ensuring your experience at College is amazing! They can arrange additional support for you in and out of the classroom, advice and support for your welfare, safeguarding and financial support, careers guidance, or help you make new friends with our Student Union, and other fun activities and social clubs.

This pack also contains a few activities, and some reading materials we recommend you have a go at. These will introduce you to your course and keep you motivated.

If you have any questions, please feel free to use any of the methods identified at the back of this pack and our friendly enquiries team will ensure we get back to you.

ACTIVITIES

1

Consider the impact of marketing on your daily life.

TASK: Watch the YouTube video 'Marketing - what is its role in business and why does so much get spent on marketing every year?'. Click below to play!

Take a look around your room and choose three different objects. Then write down at least 5 reasons why you purchased each of the items - why that particular item rather than another choice for example.

WHAT YOU WILL NEED:

- A pen
- A piece of paper
- YouTube link above and a device to watch on
- Your choice of three different objects

HOW DOES THIS RELATE TO YOUR COURSE? Why as a customer did you purchase the particular object you chose? A question that marketers try to answer on behalf of businesses and we look at the marketing theory that goes with this.

2

Can you recognise UK Promotional Slogans?

TASK: Complete this Kahoot quiz on UK Promotional Slogans. How many do you know? Follow [this link](#) to the quiz and use the game pin: **02948617** to access.

WHAT YOU WILL NEED:

- The Kahoot link and/or PIN number
- A device to access Kahoot on

HOW DOES THIS RELATE TO YOUR COURSE? This quiz will get you thinking about different businesses and how brands and slogans start to become familiar to us all. As a business student it is important that you have an interest in business and the more you are aware of different businesses and their activities the easier your studies will be.

3

Consider what would be more important for a business to prioritise to ensure that it is successful.

TASK: Can you put the list below in order of priority and be able to justify your answer?

- Maximising revenue (the amount of money it receives from sales)
- Amazing customer service
- Being environmentally friendly
- Having the right technology
- Hiring the right employees

WHAT YOU WILL NEED:

- Pen and paper

HOW DOES THIS RELATE TO YOUR COURSE? Critical thinking is a key skill in business. It is important when completing coursework that you are able to justify your response. We often ask you to provide 'evidence' to support your views.
