Application Timeline

Stamford
College

Whatever your grades, please be assured we remain focused on making sure you are not disadvantaged during this time of exam uncertainty, and will continue to support you to achieve your goals.

1 APPLY

2 INTERVIEW

In the current situation we are faced with we have taken the decision to cancel all interviews until further notice.

Instead all applicants will be asked to submit predicted grades and be sent a personal statement form to be completed and returned.

3 OFFER!

All applicants awaiting GCSE results will be given a conditional offer of a place at Stamford College once predicted grades have been submitted and a personal statement has been completed.

During enrolment we will review each application on a case-by-case basis, and extenuating circumstances will be considered should you not meet the entry requirements of your chosen course.

You will be sent a summer project to complete prior to enrolling on your course.

4 TRANSPORT & FINANCIAL SUPPORT

Information about how to apply and pay online for your College bus pass and how to apply for financial support for uniform or equipment will be sent to you during the summer holidays.

5 ENROLMENT

You will be sent an email containing instructions on how and when to complete your enrolment which will all be completed online.

The enrolment instructions will be sent towards the end of July. It is very important that you keep us updated in any changes to your email address.

6 TERM STARTS (From 1 September)

You will receive an induction timetable at enrolment which will contain a variety of activities to help you settle in to College life such as getting to know staff, how to get around the campus and meeting your fellow class mates.

STEPS TO SUCCESS

Stamford College are extremely well qualified and experienced in ensuring students are placed and supported on the right course.

One of the ways we do this is through a very effective 6 weeks 'Steps to Success' programme that operates from the first day you start your course.

We have been developing this programme over a number of years. It ensures students are monitored carefully and supported appropriately whilst transitioning from school to college.

This includes support such as (but not limited to):

- Allowing you to change courses (subject to availability) if you change your mind in the first 6 weeks
- Moving you between course levels (subject to availability) if you are finding your current level too easy/too hard
- Incorporating English and maths GCSE into your timetable if you don't meet the grades you require
- Providing access to additional learning support should you need extra support in the classroom or assessment for learning resources

- Regular meetings with your student advisor, who will get to know you and ensure you are happy and engaged with your course
- One-to-one reviews with your academic tutor to ensure you are progressing and achieving well.

Whatever your grades, or course decision, the 6 weeks 'Steps to Success' programme ensures we can help you to achieve your goals.
