

Dear Student,

Congratulations on your enrolment!

Your college has chosen Nisbets as the supplier of your Catering & Hospitality uniform and equipment, so please follow the instructions overleaf to place your order.

There is also an area for you to fill in your required sizes, a full size guide is available online.

Kind Regards,
The Nisbets College Team

Sizing

Getting the perfect fit is simple with Nisbets - there are just three simple steps to ensure you can wear your dream jacket, trousers or shirt in absolute comfort.

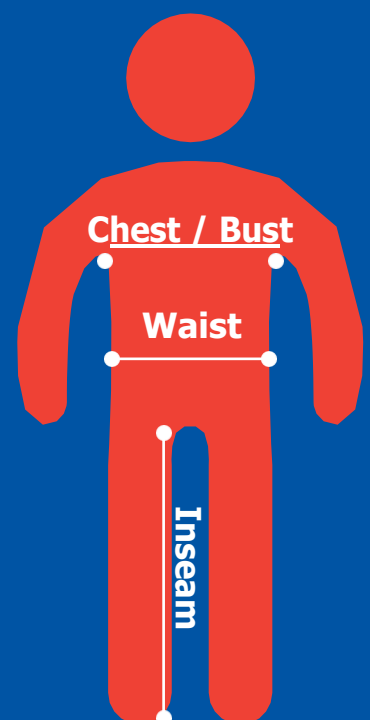

1. **Choose your fit:** jackets and trousers are available in a range of fits, from slim and modern to relaxed and classic fits, each offering a different style and look.
2. **What are your measurements?** The Nisbets garment measurements are for your actual chest or waist size. Grab a tape measure, get your size and match with the size guides to find your ideal fit.
3. **You're ready to pick your perfect chef jacket or trousers!**

Measurement Guidelines

- **Chest:** take your chest measurement from the fullest part of your chest or bust with your arms down, relaxed, by your side.
- **Waist:** measure around your natural waistline, above your hips (in line with your naval). Nisbets trousers sit on your natural waist, not your hips, so ensure you measure this correctly.
- **Inseam:** to get an accurate inseam measurement, measure from the base of your crotch to the bottom of your heel.

Please note:

Your order can take up to 2 weeks to be embroidered, packed and delivered. Please bear this in mind and place your order as soon as possible to ensure delivery ahead of your start date.

Course: LEVEL 1 CULINARY SKILLS

How To Order:

Visit: www.nisbets-college.co.uk

Enter: Your College Access Key
Select: The course you are attending

Choose: Your required sizes

Proceed: To payment and delivery
