

## **Accommodation Moving In and Out Information and Dates 2021 - 2022**

### **All Further Education – Higher Education Students**

Dear Student,

I write to confirm that when you have completed and returned all your Accommodation paperwork pack to Residential Accommodation at Lackham, your move in and move out date will be:

**Your move in date is from:** Saturday 4<sup>th</sup> September 2021

**Your move out date is by:** Saturday 9<sup>th</sup> July 2021

All room rentals are based on a 41-week college year which you will be charged for even if you decide to start later or leave earlier than the above dates. This allows all students to keep the same room for the year, leave all belongings if going home and stay in halls during holidays (excluding two weeks of Christmas and one week of Easter, when college is closed to all staff and students).

Please follow the instructions given to you by your course tutor as the FE, HE courses have differing start dates. You must have enrolled on your course before you can move into accommodation. You may be sent a specific time to move in, on the above date to support Covid guidance. If so, we will contact you directly with the time.

Please bring your mandatory £25 in an envelope with your full name on the front which is your mandatory annual contribution to Accommodation for enrichment activities and facilities. Please note specific trips may incur an extra charge when signed up for and booked.

Thank you for choosing Wiltshire College Lackham and we look forward to seeing you soon.
