

Car Sharing

Dear Parent or Guardian,

Due to Wiltshire College recognising the significant risk involved with under 18 students travelling in the vehicles of other students (U18 and O18), we have withdrawn our consent to support this activity. Due to increase events of dangerous driving and illegal activities occurring while driving we feel the risks are too high to provide support to this car sharing and to continue with parental consent.

Previously parents could state if they gave their consent for this activity to be allowed, however we would like to make you aware as a college we do not support nor promote future engagement in this, as we feel the risk to individuals well-being and health to be too great. Therefore, as parents or guardians if you wish for your son or daughter to be a passenger in other vehicles this will be at yours and the student's discretion and entirely at your own risk.

Please can you confirm you acknowledge this letter and its contents, and we hope for your support in this matter to ensure all students are always kept safe.

Yours sincerely

Accommodation Team
