Wiltshire Council

These services are available to all students and fares detailed in this leaflet for each route will be charged to any student unable to produce a valid Wiltshire Council bus pass. Passes are available to most full time Lackham students.

These services have been designed to provide connections with several other bus routes to allow daily access to the college from as much of Wiltshire as possible. Therefore, if we haven't included details of buses from your home town or village, please contact Passenger Transport, to see if a connecting bus is available.

Any changes to transport routes during the academic year you will be made aware of by the college and notices on the transport.

Please note:

- These routes and timetables maybe different from last year.
- Students wearing muddy shoes/boots or muddy clothing **will not be allowed** to travel on these buses.
- If your bus is fitted with seat-belts, **you must** wear the seat-belt throughout the journey – it's the law.
- It is important you have the correct fare as the driver may not be able to give the correct change.
- All buses shown in this leaflet will pick up and set down at any bus stop along the route. Any passengers will need to be at their stop **at least five minutes before** the time indicated in this leaflet and signal clearly, by putting your arm out, to the driver as the bus approaches.
