Missed the college coach home? What to do when nobody can collect you

Do you know about your travel options? If no - please see the journey planner www.Traveline.info to search for the best route home.

Do you need to borrow some money to pay for your fare? Ask for an emergency loan from the Welcome Desk (on production of your student ID card). Most bus providers accept contactless payments

Are you on your own or could you share a lift with other students going in the same direction?

If there is no alternative, **ask Welcome Desk for phone numbers of local taxi firms.** This will be at <u>your</u> expense, so make sure you know how much it will cost and how you will pay for the fare! **York College will only pay for a taxi if the bus operator is at fault**

(e.g the bus had no spare seats or was cancelled) If you are still unsure and need help please ask for the duty manager at the Welcome Desk

Finally **Ring your parents/carers** to let them know what arrangements you have made and when you are likely to get home.
