## YOUR HOSPITAL CARE YOUR CHOICE

# BENEFITS OF CHOOSING SULIS HOSPITAL

All our consultants are leading specialists within their own field of expertise, and the majority have substantive NHS contracts within the local area. The same governance procedures as the NHS allow use to measure success according to the same standards.

## PATIENT CHOICE

Did you know that you have the right to choose where to have your NHS treatment? Having more options through the NHS means you have more control over your care and can hopefully achieve a better outcome.

We work with the NHS in England to provide high-quality healthcare services, reduce waiting times and giving patients more choice. Working together with NHS Trust hospitals we see and treat NHS patients through the NHS e-Referral Service ensuring free and fair access to healthcare for everyone.

Collaboration with independent hospitals allows the NHS to treat patients at a location and time of their choosing.

## NHS E-REFERRAL SERVICE

At Sulis Hospital you will be offered a choice of clinic times which may include some weekend and evening appointments.

If Sulis Hospital does not appear on your list of options this is because other hospitals are closer to your home address. Your referral management centre will be able to assist you in requesting Sulis Hospital despite the distance from your home.

Service availability does vary according to your local (ICB) Integrated Care Board.

You can choose to book your appointment online [www.nhs.uk/referrals](https://www.nhs.uk/referrals).

To book your appointment you'll need your booking reference number, password and access code.
