Code of Conduct for Parents by the Children

The children were asked how they would like their parents to support them when they are competing, training and being coached:

Here are some of their quotes:

- Be supportive, make sure you have food and drink ready, and give constructive criticism
- Come to speak after every game, and support us from the balcony. Watch us, and tell us what we should work on, if the coach does it in the lesson
- I would like my parents to watch me, but not cheering things such as 'Come on try harder!' and "length" I would also like them to say 'Well done'
- To give hints and tips on how to improve and to stay calm! To also be positive and don't moan
- Encourage, clap when they play a good shot, be positive
- Pay attention, not on the mobile phone
- Give you a chocolate bar after, and a hug!
- Keep happy and support me, but help with some advice
- I would like my parents to support me and cheer me on
- Be quiet and no hand gestures
- I wouldn't like my mum or dad to come because it makes me rubbish
- Do not walk away
- I would like my father not to give me dirty looks if I do a bad shot
- Provide transport and pay for everything!
