

# #ByYourSide

The unit  
staff were  
by our side

Bliss  
supported  
me to be by  
my baby's  
side

Having access  
to overnight  
accommodation  
allowed me to be  
by their side

We're by  
your side

This **World Prematurity Day, 17 November**, help us spread the message that families of babies born premature or sick are not alone. Share your neonatal experience using **#ByYourSide**
