

IBD BENCHMARKING 2023 RESULTS OVERVIEW - PAEDIATRIC SERVICE

ROYAL HOSPITAL FOR CHILDREN, GLASGOW

www.ibduk.org

This report shows results from the IBD UK benchmarking in 2023, which includes the IBD Patient Survey and Service Survey. Service Survey data appears only for those IBD services that took part, and Patient Survey data appears only where more than five patients from this IBD service completed the IBD Patient Survey. This report has been produced by IBD UK, a partnership of patient and professional organisations working together for everyone affected by IBD. This report was published in March 2024.

Key

- IBD Patient Survey 2023
- IBD Service Survey 2023

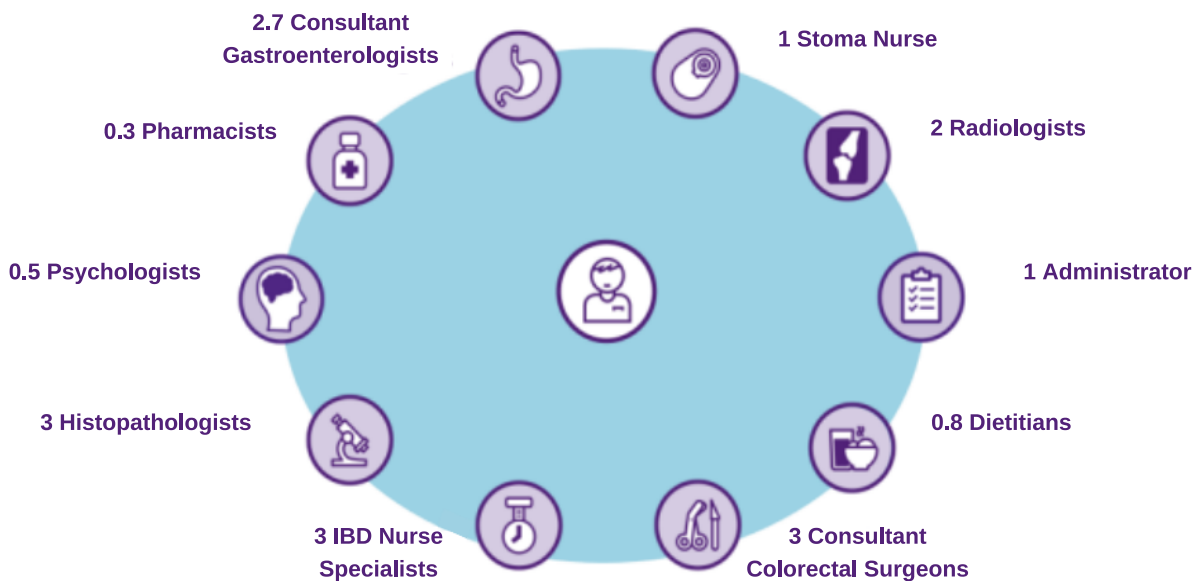

The Service in Numbers

Covers a population of **600000**

Supports **395** Paediatric IBD patients

Of which **-** were diagnosed in the past 12 months

The IBD Team

Quality of Care

Overall, how would you rate the quality of your Crohn's or Colitis care over the last 12 months? [10 responses for this service]

Rated as "Excellent" or "Very good" by 90% of patients

Rated as "Fair" or "Poor" by 0% of patients
