---	--

On the day of the workshop please do ask your child to wear something suitable for the activity. They can bring a drink or snack/lunch along if they want one. Everyone (in the advertised age group) is welcome at the workshops and the leaders are all very experienced at working with a group of mixed ages and abilities. Please do let us know if your child has any learning difficulties, behavioural issues or a disability as we like to help every child enjoy their time being creative. If your child has extra support in school then please do arrange for this whilst they are at the workshop, sadly this is not something we can offer but they are very welcome to bring along a support worker or parent to help them out.
