DEMANDS AND NEEDS - PRODUCT SUITABILITY

This product meets the demands and needs of those who want cover for veterinary treatment of their pet throughout its lifetime (as long as the premiums are kept up to date)

INTRODUCTION

Welcome to **Your** pet cover. Here **You** will find all the relevant information for the cover **You** have chosen. **We** are delighted to be **Your** provider of choice and detailed below **We've** outlined exactly how **We** can help look out for **You**. Don't hesitate to contact **Us** if there is any way **We** can help.

This is a master policy wording showing all sections of cover available. Some sections may not be applicable to Your chosen insurance product.

Please read this in conjunction with the Insurance Product Information Document (IPID) and check Your Policy Schedule carefully (Your Policy Cover and Optional Benefits) to ensure You understand which sections apply to You.

WHAT YOU SHOULD DO

Please read the policy as soon as **You** receive it. If this is a renewal, **We** recommend **You** read the policy carefully as it may contain new benefits, terms and conditions. If **You** do not keep to the conditions, **Your** policy could become void or **We** may not accept liability for a claim.

It is up to **You** to make sure that the entire policy and policy schedule meet **Your** needs; **You** must tell **Us** immediately if this is not the case.

YOUR OBLIGATIONS TO US

Material Facts

You must tell us about every event, fact or occurrence that might influence **Our** decision to enter into or renew this contract of insurance; and, if so, on what terms. If **You** have something of this kind to tell us about, **You** must do so in good time before **We** enter into or renew this contract. If **You** are in any doubt about whether a fact is material, **You** should disclose it.

Declaration

By entering into or renewing this policy **You** confirm that **Your Pet** is in good health. **Your Pet** does not have an **Injury, Illness, Condition, or Chronic Condition** and is not displaying any **Clinical Signs** of an **Injury, Illness, Condition, or Chronic Condition** except for those notified to, and accepted in writing by, **Us**.

PARTICULAR POINTS ABOUT COVER

The policy covers **Your Pet** whilst **You**, or anyone with **Your** permission, is looking after it.

Save where expressly indicated otherwise, this policy is only suitable for, and it will only respond to claims if the fact of the matter, occurrence or event giving rise to the claim occurs in the United Kingdom, Channel Islands or Isle of Man during the **Policy Term**. The laws of England and Wales apply to this insurance contract and the language of the policy and all communications relating to it will be in English.

Your Policy Schedule is important. It lists the cover **You** have chosen, it is proof of **Your** insurance and it may be needed if **You** have a claim. The policy depends on the warranties (promises), conditions and exclusions shown in it. **We** are liable only up to the limit of cover shown in **Your** Policy Schedule. **Your** intermediary will not be or become **Our** intermediary for giving notice about any claims or any other matter. If **You** ask, **We** may agree to change any part of the policy.

We will not be liable for any mistakes or omissions by an intermediary who has arranged the insurance on **Your** behalf.

We reserve the right, upon each renewal of **Your** policy, to make changes to the scope of **Your** insurance cover including, but not limited to, **Excess** and premium levels. **You** have to renew the policy and make each premium payment for cover to remain in force.

We may choose not to renew **Your** insurance for any valid reason including, for example, if **You** or anyone acting on **Your** behalf (a) is aggressive towards **Our** employees; and/or (b) defrauds or attempts to defraud **Us**. **We** may also choose not to renew **Your** insurance, if **We** ask **You** to take specific precautionary measures, and **You** fail to do so.

POLICY WORDING

This means that, if **You** have a lunar policy or a monthly policy, and **We** choose not to renew it, **Your** policy will expire at the end of the 28 day period, or the end of the month, in which **You** were aggressive to **Our** employees; defrauded or attempted to defraud **Us**; or failed to take the precautionary measures **We** asked **You** to take.

In addition, **We** may, for business reasons, stop offering these policies at any time. **We** might do this if, for example, the law changes, our regulators' rules change, the economy changes or **Our** circumstances change, and **We** no longer believe that **We** can offer a competitive product, a useful product, or a product that offers good value for money, and still make a fair profit. **We** might also do this if (for example) the number of policies **We** sell falls, or we think it is likely to fall, to such an extent, or the value of the claims on the policies rises, or **We** think that it is likely to rise, to such an extent, that it no longer makes economic sense for **Us** to sell these particular policies, or policies of this kind.

RENEWALS

If **You** have a lunar policy, a calendar monthly policy or a yearly policy, **We** will automatically renew it every 28 days, every calendar month, or every year, unless **You** ask **Us** not to do this.

We review your policy at least once a year and, in doing so, **We** consider the potential future impact of changes to the following factors:

- (a) **Our** claims experience, including any material improvements or deterioration in the number or types of claims **We** expect to pay, or changes in the average cost per claim
- (b) material changes in the insurance / reinsurance markets, and any commercial responses **We** may need to implement as a result
- (c) **Your** individual circumstances, such as change of address
- (d) legally required adjustments or changes mandated by **Our** regulators

As result of this review, **We** may make changes which **We** believe, in good faith, are appropriate for the type of policy **You** hold with **Us** and will produce an overall benefit for **You**.

These changes may include the price of **Your** policy, the range of **Your** cover, **Your** available benefits, or the **Excesses** you pay.

As a result of these changes the price, range of cover, benefits, or **Excesses** may go up, stay the same, or go down; the change(s) may be significant and there is no limit to the amount of the change(s).

We may also make changes that **We** believe, in good faith, **We** have a valid reason to make such as:

- (a) to make the terms of the policy clearer (without reducing or restricting your rights in a material way)
- (b) to reflect changes in **Our** own costs or other economic considerations
- (c) changes in the cost of the insurance cover and/or the **Excess**, because **Your** pet has a **Chronic Condition** and
 - (a) that has significantly increased the risk that **Your Pet** will suffer one or more other **Illnesses**; or (b) it will significantly increase **Your Vet's Fees**; or (c) both.

Like **Us**, pets are more likely to suffer **Illnesses** or to have **Chronic Conditions**, as they get older; and, if they have one **Illness** or **Chronic Condition**, they are more likely to have others in time. This is why **Your** premium usually increases, and your **Excess** might also increase, from one year to the next. It is also why these increases are sometimes significant. There is no limit to the amount your premium and/or **Excess** can change.

If we want to change your policy:

- (a) **We** will give **You** full written details of the changes **We** want to make, at least 21 days before the changes take effect; and
- (b) **You** will have the right to tell **Us**, within 14 days of receiving those details, that **You** do not want **Us** to make these changes, if that is the case.

If **You** exercise this right, **We** might (i) renew **Your** policy without making the changes **We** wanted to make; or (ii) renew **Your** policy on different terms; or (iii) choose not to renew **Your** policy at all. **We** might choose not to renew **Your** policy if (for example) the law changes, our regulators' rules change, the economy changes or **Our** circumstances change, and **We** no longer believe that **We** can offer a competitive product, a useful product, or a product that offers good value for money, and still make a fair profit. **We** might also choose not to renew **Your** policy if the number of policies **We** sell falls to such an extent, or the value of the claims on the policies rises to such an extent, that it no longer makes economic sense for **Us** to sell these particular policies, or policies of this kind.

You can also cancel **Your** policy at any time. **Your** cancellation rights are set out in the policy terms and conditions.

Fraud prevention and the sharing of information

If **We** are in possession of information which **We** believe to be untrue, misleading or potentially fraudulent, **We** will pass the information to the relevant legal / statutory bodies. **We** may also share information with other organisations in the prevention of fraudulent claims.

POLICY WORDING

How We Use Your Information

Please be aware that telephone calls may be recorded for training and monitoring purposes. **Your** details are stored on **Our** computer system to administer **Your** policy but will not be kept longer than necessary. **You** have the right to request a copy of the personal data **We** hold about **You**; a small charge will apply. **We** can only discuss **Your** personal details with **You**. If **You** would like anyone else to act on **Your** behalf please let **Us** know. **We** may pass **Your** information to **Our** veterinary advisors, loss adjusters and/or suppliers for the purpose of administering **Your** claims or providing elected benefits.

Unless **You** advise otherwise, **We** may use **Your** details to support the development of **Our** business by including them in customer surveys and keeping **You** informed by email, post or telephone of **Our** products and offers. If **You** do not want this to happen please just let **Us** know.

PREMIUM AND EXCESS REVIEW

1. **We** review **Your** policy at least once a year and, in doing so, **We** consider the potential future impact of changes to the following factors:
 - (a) **Our** claims experience, including any material improvements or deterioration in the number or types of claims **We** expect to pay, or changes in the average cost per claim
 - (b) material changes in the insurance / reinsurance markets, and any commercial responses **We** may need to implement as a result
 - (c) **Your** individual circumstances, such as change of address
 - (d) legally required adjustments or changes mandated by **Our** regulators

2. As result of this review, **We** may make changes which **We** believe, in good faith, are appropriate for the type of policy **You** hold with **Us** and will produce an overall benefit for **You**.

These changes may include the price of **Your** policy, the range of **Your** cover, **Your** available benefits, or the **Excesses** **You** pay.

As a result of these changes the price, range of cover, benefits, or **Excesses** may go up, stay the same, or go down; the change(s) may be significant and there is no limit to the amount of the change(s).

3. **We** may also make changes that **We** believe, in good faith, **We** have a valid reason to make such as:
 - (a) to make the terms of the policy clearer (without reducing or restricting **Your** rights in a material way)
 - (b) to reflect changes in **Our** own costs or other economic considerations
 - (c) changes in the cost of the insurance cover and/or the **Excess**, because **Your Pet** has a **Chronic Condition** and
 - (a) that has significantly increased the risk that **Your Pet** will suffer one or more other **Illnesses**; or (b) it will significantly increase **Your Vet's Fees**; or (c) both.

Like **Us**, pets are more likely to suffer **Illnesses** or to have **Chronic Conditions**, as they get older; and, if they have one **Illness** or **Chronic Condition**, they are more likely to have others in time. This is why **Your** premium usually increases, and **Your Excess** might also increase, from one year to the next. It is also why these increases are sometimes significant. There is no limit to the amount **Your** premium and/or **Excess** can change.

4. If **We** change **Your** premium and/or **Excess** and **You** do not wish to continue **Your** cover, **You** should contact **Us** to cancel **Your** policy.
