**SUMMARY OF QUESTIONS FROM SHAREHOLDERS AND RESPONSES AT THE ANNUAL
GENERAL MEETING ("AGM") AND SPECIAL GENERAL MEETING ("SGM") HELD ON 19 APRIL 2023**

The list of real-time questions submitted by the shareholders and proxyholders who had attended the Company's AGM and SGM, which were held by way of electronic means on 19 April 2023 from 4:00 p.m. to 5:05 p.m., and the Company's responses are as set out below:

Questions were addressed by the following personnel:

Mr. David Todd Dollinger – Co-Chair of the Board, and Co-Chief Executive Officer
Mr. Haim Brosh – Chief Financial Officer, Joint Company Secretary

Queries from shareholders/proxyholders

Q1. As much as I am for the MBO whereby it seeks to align the interests of the shareholders with the directors through the payment of incentives, what will happen when there is write downs of the companies years down the road? Which we have seen on a relatively frequent basis; eg ApiFix and Stimatix?

The Company's response:

Based on the matrix for the bonus, in the event that there is no increase of at least 7% in the book fair value of our holdings in the portfolio companies no bonus payout will be made to the CEOs in line with the shareholders' interest.

Q2. How is negotiation conducted when shareholders of Trendlines are involved in the M&A of portfolio companies?

The Company's response:

We have never had such a situation whereby the Company's shareholders were involved in the acquisition of portfolio companies. If such a situation occurs, there is a requirement in place for the Management and Board to review the transaction in great detail, caution, and transparency. There are adequate internal controls and the various Board Committees in place to review the transaction.

Q3. Where are we on ApiFix? Are we going to see further write-downs? What's the expected earnout on the final year?

The Company's response:

As the value of the expected earnout was reduced in our financials of the FY2022, the amount at risk (future reductions) is minimal and, if will occur, will have a minimal impact to our financials. The expected earnout will be received in the last tranche in 2024. Shareholders can refer to the Company's financial Information in relation to ApiFix acquisition and returns for further information.

Q4. Any updates on the various partnerships that Trendlines has with other investors?

The Company's response:

We continue to travel and work with various partners across the world, in particular, to build on existing relationships, look for new opportunities, as well as to bring in new investors and acquires into the Company's current portfolios.

Q5. With Trendlines not investing in new companies for the time being, does it affect Trendlines' position as an appointed incubator of the IIA? Is it expected to affect its renewal?

The Company's response:

The incubator is operated by the Company in accordance with the license issued by the Israeli authority, and the license will be expiring end of 2023. We have exceeded all requirements imposed upon the Company under this license.
