Important notice

This presentation is for informational purposes only and does not constitute or form any part of any offer for sale or subscription of, or solicitation of, any offer to buy or subscribe for any securities of The Trendlines Group Ltd. ("**Company**") or any of its portfolio companies nor shall it or any part of it form the basis of, or be relied on in connection with, any contract, commitment or any investment decision whatsoever in Singapore, Israel, the United States or in any other jurisdiction. The summary information herein does not purport to be complete. The information in this presentation should not be relied upon as any representation or warranty, express or implied, of the Company. No reliance should be placed on the fairness, accuracy, completeness or correctness of the information or opinions contained in this presentation. The information is subject to change without notice.

The past performance of the Company is not necessarily indicative of its future performance. This presentation may contain statements that constitute forward-looking statements which involve risks and uncertainties. These statements include descriptions regarding the intent, belief or current expectations of the Company or its officers with respect to the results of business operations and financial condition, industry, environment and future events and plans of the Company. Such forward-looking statements are not guarantees of future results, performance or achievements. Actual results, performance or achievements of the Company may differ from those expressed in the forward-looking statements as a result of various factors and assumptions, such as known and unknown risks and uncertainties, including those risk factors discussed in our Offer Document dated 16 November 2015 and in our other filings with the SGXNET. By their nature, forward-looking statements involve risks and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future. In light of these risks and uncertainties, actual events, results and developments could differ materially from those expressed or implied by the forward-looking statements. Reliance should not be placed on these forward-looking statements, which reflect the view of the Company or its officers as of the date of this presentation only. The Company does not undertake any obligation to update or revise any of the forward-looking statements, whether as a result of new information, future events or otherwise.

None of the Company or any of its respective affiliates, advisers or representatives shall have any liability whatsoever for any loss howsoever arising, whether directly or indirectly, from any use, reliance or distribution of this presentation or its contents or otherwise arising in connection with this presentation.

Neither this presentation nor any of its contents may be used without the prior written consent of the Company.

Agenda.

- Management changes
- Israel Update
- SIAS Award
- Letter of Intent
- Singapore medtech companies
- Spotlight on a few outstanding portfolio companies
- Q&A

The management change story.

- Board considerations
