The purpose of this Circular is to provide Shareholders with information relating to the Proposals and to seek the approval of Shareholders in relation thereto at the forthcoming SGM. LETTER TO SHAREHOLDERS

1.3 Legal Adviser

Drew & Napier LLC is the legal adviser to the Company as to Singapore law in relation to the Proposals.

2. THE PROPOSED SUBSCRIPTION

2.1 Background and Subscription Shares

The Board refers to the Announcement, which announced a proposed rights issue (the “**Proposed Rights Issue**”) and the Proposed Subscription which is intended to take place following the completion of the Proposed Rights Issue.

The Company has entered into Subscription Agreements with the Subscribers, pursuant to which the Subscribers have agreed to subscribe, in two (2) tranches, for new Shares in the capital of the Company (collectively, “**Subscription Shares**” and each a “**Subscription Share**”), at the subscription price of S\$0.0300 for each Subscription Share (the “**Subscription Price**”), on the terms and subject to the conditions of the respective Subscription Agreements. Each tranche is referred to as an “**Installment**” and collectively, the “**Installments**”.

Pursuant to the Subscription Agreements entered into between the Company and each of the Other Subscribers and the US Investors, the Other Subscribers and the US Investors have agreed to subscribe for an aggregate of 146,208,629 Subscription Shares in the capital of the Company, based on the aggregate number of Subscription Shares allocated to each of the Other Subscribers and the US Investors set out at Section 2.3(a), in two (2) tranches for an aggregate consideration of S\$4,386,259², on the terms and subject to the conditions of the respective Subscription Agreements.

Pursuant to the Subscription Agreement entered into between the Company and LH, LH has agreed to subscribe for the Subscription Shares in the capital of the Company in two (2) tranches. LH has agreed to subscribe for the number of Subscription Shares in the Proposed Subscription such that LH will hold no more than 29.77% of the Company's Post-Subscription Share Capital.³

The Proposed Subscription will be completed based on the Allocation. As at the Latest Practicable Date, the Company has an issued and paid-up share capital of 1,092,054,062 Shares. Assuming (i) all Entitled Shareholders subscribe for their pro rata entitlements in the Proposed Rights Issues; (ii) none of the outstanding Options are exercised on or prior to the record date; and (iii) all Subscription Shares agreed to be subscribed by the Subscribers are issued to the Subscribers, the Subscription Shares will represent approximately 19.11% of the Existing Share Capital and will represent approximately 14.52% of the Post-Subscription Share Capital of the Company of 1,437,190,214 Shares. The Company does not hold any shares in treasury and does not have any subsidiary holdings.

The Subscription Shares in relation to the US Investors are to be issued to the Depositary for the purposes of issuing to the US Investors the ADS(s), pursuant to the Deposit Agreement dated 5 May 2016 entered into by the Company, the Depositary and the owners and holders of ADSs. The Subscription Shares, when allotted and issued, are duly authorised, validly issued and credited as fully paid-up, free from any and all encumbrances, listed and tradable on the SGX-ST and rank *pari passu* with all other existing Shares at the time of the issue with all rights and benefits attaching thereto, other than restrictions on the US Investors to hold the Subscription Shares until they are registered with the Securities and Exchange Commission of the United States of America and qualified by state authorities, or an exemption from such registration or qualification requirements is available. The Subscription Shares will not rank for

³ For more details, please refer to Sections 2.3(b), 2.5(b)(A) and 2.5(c)(A) of this Circular.

LETTER TO SHAREHOLDERS

any dividends, rights, allotments, distributions or entitlements, the record date for which falls before the relevant Completion Date.

The Proposed Subscription will not result in a transfer of controlling interest of the Company and there are no share borrowing arrangements for the Proposed Subscription.

The Company will not be relying on the general share issue mandate granted by Shareholders at the annual general meeting of the Company held on 23 April 2025, as the Company is required to seek shareholders' approval for the issuance of Subscription Shares to LH. The Company will be seeking specific shareholders' approval (the "**Shareholders' Approval**") for the allotment and issuance of the Subscription Shares at the SGM to be held on 6 August 2025. For more details, please refer to Sections 8 and 9 of this Circular.

For the sake of caution only, since at the Latest Practicable Date, LH is considered a Controlling Shareholder under the Companies Law for interested party transactions, and the Proposed Subscriptions by LH and the rest of the Subscribers are under similar terms and executed almost at the same time, it may be argued that each of the Subscribers has personal interest in the Proposed Subscription by the other Subscribers and accordingly all of them may be regarded as a Controlling Shareholder under the Companies Law for this specific transaction. Accordingly, for the sake of caution only under the Companies Law, the Proposed Subscription shall require approval by a Special Majority.

2.2 Rationale for the Proposed Subscription

The Company is of the view that the Proposed Subscription will provide the Shareholders with the following benefits:

- (a) the Company needs to strengthen the financial position and capital base of the Group, which would enhance the Group's ability to finance its investments into existing portfolio companies, including supporting portfolio companies' exit strategies where appropriate;
- (b) the Company requires funds to meet its anticipated general working capital requirements. Given the capital-intensive nature of the Group's business, the unpredictability of its cash flows amidst a difficult macro-economic environment, the Company believes it is in its best interests to have more cash for its operations; and
- (c) the Proposed Subscription allows the Company to make repayments under a loan agreement the Group entered into with Agriline in January 2025 and amended in March 2025, pursuant to which Agriline has granted a loan facility in the principal amount of US\$3 million (the "**Loan**") to the Company.

2.3 Information on the Subscribers

- (a) The aggregate number of Subscription Shares agreed to be subscribed by each of the Other Subscribers and the US Investors in respect of the Proposed Subscription with the respective consideration is set out below:

| S/ N | Name of Subscriber | Aggregate number of Subscription Shares to be subscribed by the Other Subscribers and the US Investors over two (2) tranches | Aggregate consideration (S\$) |

- (a) Subscription Price

LETTER TO SHAREHOLDERS

The Subscription Price is S\$0.0300 for each Subscription Share, which is at a premium of approximately 3.4% to S\$0.0290, being the volume weighted average price for trades done on the SGX-ST for the full market day the Subscription Agreements were signed, on which Shares were traded on the Catalist of the SGX-ST.

The Subscription Price was commercially agreed between the Company and the Subscribers on a willing-buyer, willing-seller basis after arm's length negotiations, after taking into account, *inter alia*, the prevailing market conditions and the terms of the Proposed Subscription, such as the Subscribers (i) being allowed to participate in the Proposed Subscription in two (2) Installments; and (ii) having the option to make an Early Payment by the Subscribers. For more details, please see Section 2.5(c) below.

- (ii) SGX-ST or any other authority not having notified the Company of any reason why the Company should not allot and issue any of the Subscription Shares, and the listing and quotation notice for the listing and quotation on the Catalist of the Subscription Shares being obtained from the SGX-ST (the "**Listing Approval**") and not having been revoked or amended and, where such approval is subject to conditions, to the extent that any conditions for the listing and quotation of the Subscription Shares on the SGX-ST are required to be fulfilled on or before Completion Date of the subscription of the relevant Subscription Shares, they are so fulfilled;
- (iii) the exemption under Section 272B of the SFA being applicable to the Proposed Subscription under the Subscription Agreements;
- (iv) the offer, allotment, issue and subscription of the Subscription Shares not being prohibited by any statute, order, rule, regulation or directive promulgated or issued after the date of the Subscription Agreements by any legislative, executive or regulatory body or authority of Israel, Singapore or any other jurisdiction, which is applicable to the Company or the Subscribers;
- (v) the delivery by one party to the Subscription Agreement to the other party to the Subscription Agreement of certified true copies of such resolutions and/or documents on the First Installment Completion Date evidencing that the execution of the Subscription Agreements and any transactions contemplated under the Subscription Agreements by the parties having been validly authorised by such party, and in the case of the Company, that the allotment and issuance of the Subscription Shares to the Subscribers or their nominees (and in the case of the US Investors, the Depositary's custodian), and the issue of any share certificate in respect of the Subscription Shares having been duly approved by the Company's Directors; and
- (vi) there having been, as at the Completion Date of each Installment, no occurrence of any event nor the discovery of any fact rendering untrue or incorrect in any material respect any of the warranties contained in the Subscription Agreements if they were repeated on and as of the First Installment Completion Date.

Each party to the Subscription Agreement may, but shall not be obliged to, and upon such terms as it thinks fit, waive compliance of the other party to the Subscription Agreement with any of the conditions contained in Section 2.5(b)(v) and (vi) and any

LETTER TO SHAREHOLDERS

condition so waived shall be deemed to have been satisfied provided always that any such waiver as aforesaid shall be without prejudice to the right of the first mentioned party to elect to treat any further or other breach, failure or event as releasing and discharging the second mentioned party from its obligations under the Subscription Agreement and shall be without prejudice to any liability accruing to the second mentioned party prior to such waiver.

If any of the conditions contained in Section 2.5(b) have not been satisfied on or before the cut-off date of 29 November 2025 or such other date as the Company and the Subscribers shall mutually agree (the “**Cut-Off Date**”), the Subscription Agreements shall terminate and shall be of no further effect and no party thereto shall be under any liability to the other in respect of the Subscription Agreements except that the Company shall refund any amount of consideration already paid by the Subscribers to the Company without interest within ten (10) days from the Cut-Off Date.

(b)(A) Conditions (in the case of the Subscription Agreement with LH only)

With respect to LH, notwithstanding any other provision of the Subscription Agreement with LH, but subject to Section 2.5(c)(A) below, if LH notifies the Company in writing at least three (3) business days prior to the Completion of any Installment, that any issue of the Subscription Shares in relation to such Installment will result in LH being required to make a general offer for all the Shares under the Code, then (in the absence of manifest error) the Company shall be under no obligation to issue, and LH shall be under no obligation to subscribe and pay for, any of the Subscription Shares for such Installment which will result in LH holding more than 29.77% of the Company's total enlarged issued and paid-up share capital after the issue of any Subscription Shares to LH.

Subject to the foregoing, the obligations of the Company to issue, and LH to subscribe and pay, for Subscription Shares under the Subscription Agreement with LH are conditional upon there being no circumstances that the completion of the allotment and issuance of the relevant Subscription Shares to LH will result in LH having to make a mandatory general offer for all the shares in the Company not already owned or controlled by LH in accordance with the Code.

(c) Payment and Completion of the Proposed Subscription

Subject to the terms and conditions of the Subscription Agreements (and in particular, but without limitation, the satisfaction of the conditions set out in Section 2.5(b)), in relation to each Installment, the expected date of issuance, and completion of the subscription, of the Subscription Shares for that Installment (each of such date, the “**Completion Date**”) is set out in the table below:

| | |
|--------------------|--|
| First Installment | The date falling six (6) business days after the date of Listing Approval or such other date as the Company may determine in accordance with the Subscription Agreements (or in the case of LH, such other date as the Company or LH may determine in accordance with the Subscription Agreement with LH) (the “ First Installment Completion Date ”) |
| Second Installment | 1 September 2026 or such other date as the Company may determine in accordance with the Subscription Agreements (or in the case of LH, such other date as the Company or LH may determine in accordance with the Subscription Agreement with LH) (the “ Second Installment Completion Date ”) |

The Subscribers shall make payment of the consideration in US\$ for the Subscription Shares, and the Subscription Shares to be allotted and issued to the Subscribers will be calculated based on the exchange rate as of 31 May 2025 of S\$1 : US\$0.77, subject to each Subscriber not being issued and allotted such number of Subscription Shares which exceeds what the Subscriber has agreed to subscribe for under the relevant

LETTER TO SHAREHOLDERS

Subscription Agreement. The consideration for the Proposed Subscription will be entirely in cash. Upon the Company's receipt of cleared funds as full payment of the consideration in relation to a particular Subscriber, the Company shall allot and issue the relevant portion of the Subscription Shares to such Subscriber (and in the case of the US Investors, the Depositary's custodian).

In relation to any Installment, the Subscribers shall have the option, but not the obligation, to make an early payment of any amount not yet due (the "**Early Payment**"). The Subscribers shall notify the Company at least five (5) business days prior to the date of such Early Payment set forth in such notice, and subject to the receipt of the listing and quotation notice from the SGX-ST for the listing and quotation on the Catalist of the relevant Subscription Shares for such Early Payment, the Company shall issue and allot to the Subscribers such relevant number of Subscription Shares against such Early Payment on the applicable Completion Date. The price per Subscription Share of each Early Payment shall be the Subscription Price.

(c)(A) Payment and Completion (in the case of the Subscription Agreement with LH only)

With respect to LH, on the Completion Date, LH's obligations to pay the consideration pursuant to Section 2.5(c) above shall be subject to the delivery by the Company to LH of a signed confirmation confirming, among other things, that:

- (i) LH can proceed to complete its subscription of such number of Subscription Shares (such shares, the "**LH Shares**") such that following the completion of the placement of (i) the Subscription Shares to the Subscribers (other than LH) to the extent that the Company has received the subscription monies for as at the date thereof, and (ii) the LH Shares to LH, LH will hold not more than 29.77% of the Post-Subscription Share Capital of the Company following the completion of the Proposed Subscription; and
- (ii) LH's subscription of the relevant Subscription Shares will not result in LH being required to make a general offer for all the Shares under the Code.

In the event that the Company fails to provide such confirmation, LH shall have no obligation to perform any of the obligations under Section 2.5(c) above, and LH may, in its sole and absolute discretion, (A) defer Completion to such later date as LH may decide, provided that such confirmation shall first be provided to LH, or (B) without prejudice to the Company's obligation to reimburse LH under the Subscription Agreement with LH, decide to terminate the Subscription Agreement with LH, and the Company shall have no claim regarding LH's decision not to subscribe for any of the relevant Subscription Shares. In the event that the signed confirmation is not delivered by the Company by 1.00 p.m. Singapore time on the Completion Date in relation to each Installment, LH shall have no liability to the Company if the subscription consideration in respect of the LH Shares is not received in the bank account of the Company on the Completion Date in relation to each Installment as provided in Section 2.5(c) above.

(c)(B) Maximum Shareholding (in the case of the Subscription Agreement with LH only)

Notwithstanding any other provision of the Subscription Agreement with LH, under no circumstances shall the Company issue any Subscription Shares to LH, whether pursuant to subscriptions under the relevant Subscription Agreement, the Proposed Rights Issue or otherwise pursuant to any corporate action by the Company involving any additional subscription of Shares by LH prior to Completion, which will result in LH holding more than 29.77% of the Company's total enlarged issued and paid-up share capital upon Completion of any Installment unless agreed in writing between LH and the Company. In the event that LH has paid any excess subscription amount (whether pursuant to subscriptions under the relevant Subscription Agreement, the Proposed Rights Issue or otherwise pursuant to any corporate action by the Company prior to Completion) which would result in LH holding more than 29.77% of the

LETTER TO SHAREHOLDERS

Company's total enlarged issued and paid-up share capital upon completion of the Proposed Rights Issue, the Completion of any Installment or the completion of any other corporate action by the Company prior to Completion, the Company shall in each instance, scale down LH's subscription such that LH ("**Scale Down**"), will not hold more than 29.77% of the Company's enlarged issued and paid-up share capital at any point of time prior to Completion. In such events, the Company shall promptly refund such excess subscription amount to LH, (i) in the case of subscriptions under the relevant Subscription Agreement, within seven (7) business days of such determination, without interest, (ii) in the case of the Proposed Rights Issue, within the time in accordance with the terms of the Proposed Rights Issue, and (iii) in the case of any other corporate action by the Company prior to Completion, as may be separately agreed in writing between the Company and LH.

(d) Additional Listing Request

The Company undertakes, *inter alia*, to the Subscribers that it shall, as soon as practicable after the date of the Subscription Agreements, and in any case, no later than seven (7) business days after the date thereof, submit the request to the Sponsor for the listing and quotation of the Subscription Shares on the Catalist (without making any warranty or representation that such application shall be successful), and use its best endeavours to pursue the grant of the Listing Approval by the SGX-ST, and it shall execute all such documents and do all such acts and things as may be reasonably necessary or advisable for such purposes and, if such listing is obtained, use its best endeavours to maintain such listing.

(e) Indemnification and Limitation of Liability

The Company shall indemnify the Subscribers for all direct damages and expenses (including reasonable legal expenses) that will be incurred by the Subscribers as a result of a misrepresentation or breach of any warranties or a breach or improper performance of its obligations under the relevant Subscription Agreements (the "**Indemnifying Party**").

Notwithstanding anything to the contrary in the relevant Subscription Agreements:

- (i) other than in the event of fraudulent misrepresentation, gross negligence or willful misconduct by the Company, the representations and warranties contained under the relevant Subscription Agreements shall survive the execution and delivery of the Subscription Agreements and remain in full force and effect until the lapse of 36 months from the First Installment Completion Date other than with respect to the fundamental representations in the Subscription Agreements which shall remain in full force and effect until the expiration of the applicable statute of limitations, whereupon such representations and warranties of, and the liability of, the Company with respect thereto shall expire and be of no further force and effect;
- (ii) the aggregate liability of the Company towards each Subscriber under the relevant Subscription Agreement and any law, whether in contracts, torts, restitution or otherwise, other than in the event of fraudulent misrepresentation, gross negligence or willful misconduct shall arise only for aggregate sums which exceed US\$75,000, provided, however, that if such aggregate sums exceed US\$75,000, then such Subscriber shall be entitled to indemnification for all such losses, disregarding the US\$75,000 threshold, from the first dollar;
- (iii) the aggregate liability of the Company towards each Subscriber under the relevant Subscription Agreement and any law, whether in contracts, torts, restitution or otherwise, other than in the event of fraudulent misrepresentation, gross negligence or willful misconduct, shall be limited to the actual aggregate investment amount actually paid by such Subscriber under the relevant Subscription Agreement to the Company; and

LETTER TO SHAREHOLDERS

- (iv) other than in the event of fraudulent misrepresentation, gross negligence or willful misconduct, the Indemnifying Party shall not be liable for any lost profits, indirect, incidental, consequential or punitive losses and damages.

- (f) No Placement Agent

The Proposed Subscription will be undertaken pursuant to Section 272B of the SFA. As such, no prospectus or offer information statement will be issued by the Company or lodged with the Monetary Authority of Singapore in connection with the Proposed Subscription.

No placement agent has been or will be appointed for the purposes of the Proposed Subscription and no introducer fee, commission, fee or other selling or promotional expense is payable or incurred by the Company in connection with the Proposed Subscription other than those incurred for administrative or professional service.

- (g) Additional Terms

- (i) Adjustment Event

In the event of any bonus issue, subdivision or consolidation of Shares by the Company prior to the Second Installment Completion Date (the “**Adjustment Event**”), the Subscription Price shall be adjusted by multiplying the Subscription Price by the following fraction:

$$\frac{A}{B}$$

where:

A = the aggregate number of Shares immediately before the Adjustment Event;
and

B = the aggregate number of Shares immediately after the Adjustment Event.

Such adjustment to the Subscription Price shall be effective from the date on which the Adjustment Event takes place (i.e., if the Adjustment Event takes place following the First Installment Completion Date and prior to the Second Installment Completion Date, then the Subscription Price related to the Shares of the second Installment only shall be adjusted accordingly). For the avoidance of doubt, save for any Adjustment Event, there shall be no adjustment to the Subscription Price in the event of any other corporate action (including without limitation the Proposed Rights Issue and any other rights issue and placement of new Shares) by the Company.

- (ii) Expiry of Installment

A notice shall be sent by the Company to the Subscribers at least one (1) month before the Second Installment Completion Date. If Completion of the Second Installment does not take place by the Second Installment Completion Date, the Company shall announce the expiry of the Second Installment Completion Date and thereafter the relevant Subscription Agreements shall terminate and be of no further effect and neither party shall be under any liability to the other in respect of the relevant Subscription Agreements except for any liabilities accruing before such termination.

- (iii) No Material Alteration

Without prejudice to any provision of the Subscription Agreements, any material alteration to the terms and conditions of the Subscription Agreement

LETTER TO SHAREHOLDERS

to the advantage of the Subscriber and prejudicial to Shareholders shall be approved by Shareholders in general meeting, except where the alterations are made pursuant to the terms of the Subscription Agreements.

(iv) Arrangements on Transfers

Each of the Subscribers:

- (A) warranted that it does it does not presently have any contract, undertaking, agreement or arrangement with any person or entity to sell, transfer or grant participations to such person or entity or to any third party, with respect to any of its Subscription Shares and shall not enter into any such contract, undertaking, agreement or arrangement which causes the Company and/or the offer of the Subscription Shares to it to be in breach of section 272B of the SFA; and
- (B) save for LH, warranted that it will not deal, assign or transfer its rights and obligations under their respective Subscription Agreements to any other party prior to the listing of their respective Subscription Shares on the Catalist.

2.6 Shareholders' Approval under Chapter 8 of the Catalist Rules

The allotment and issuance of the Subscription Shares to the Subscribers requires the approval of the Shareholders under Rule 805(1) of the Catalist Rules as the Subscription Shares will not be issued under the Company's general share issue mandate pursuant to Rule 806 of the Catalist Rules.

Furthermore, as at the Latest Practicable Date, LH is a Substantial Shareholder of the Company and holds approximately 29.77% of the existing issued share capital of the Company. Pursuant to Rule 812(1) of the Catalist Rules, an issue must not be placed to, *inter alia*, substantial shareholders of the issuer. Rule 812(2) provides that Rule 812(1) does not apply if specific shareholder approval is obtained, and the substantial shareholder and its associates must abstain from voting on the resolution in respect of such subscription.

Accordingly, specific shareholders' approval will be required to be obtained for the subscription of the Subscription Shares by LH in connection with the Proposed Subscription and the Company has decided to seek specific shareholders' approval for the subscription of the Subscription Shares by all of the Subscribers in connection with the Proposed Subscription due to the similar terms of the Subscription Agreements between the Subscribers and the Company and the proximity of times at which the Subscription Agreements were signed. LH and its associates will abstain from voting in its capacity as a Shareholder in relation to the Proposed Subscription by the Subscribers at the SGM.

Additionally, LH is an "interested person" for the purposes of Chapter 9 of the Catalist Rules, as it is the Controlling Shareholder of the Company. However, neither an immediate announcement nor Shareholders' Approval is required under Chapter 9 of the Catalist Rules in relation to the Proposed Subscription by LH of the Subscription Shares, given that the value of LH's aggregate consideration for subscription of the maximum aggregate number of Subscription Shares under the Maximum Subscription Scenario is S\$1,872,623⁵, which is less than 3% of the Group's latest audited net tangible assets (the "**Latest Audited NTA**") of S\$88,351,948⁶ as at the Latest Practicable Date, being for FY2024. For the avoidance of doubt, pursuant to Rule 915(1) of the Catalist Rules, the value of LH's subscription of its pro rata

⁵ Approximately US\$1,441,920 based on the exchange rate as of 31 May 2025 of S\$1 : US\$0.77.

⁶ Approximately US\$68,031,000 based on the exchange rate as of 31 May 2025 of S\$1 : US\$0.77.

LETTER TO SHAREHOLDERS

entitlement of the Rights Shares is not required to be aggregated for the purpose of calculating the value at risk for the purpose of the relevant rules under Chapter 9 of the Catalist Rules.

In addition, the Group has entered into an interested person transaction with LH and/or LH's associates for the period from 1 January 2025 up to the Latest Practicable Date. In January 2025, the Group signed the agreement with Agriline in respect of the Loan, pursuant to which Agriline has granted the Loan in the principal amount of US\$2.3 million to the Company. The Loan amount was later revised to US\$3 million in March 2025 (transferred in four (4) tranches in 2025). Agriline is ultimately held by GTC as Trustees of The VT Two Trust. LH, ultimately held by GTC as Trustees of The Tchenguiz Three Trust, currently holds 29.77% of the issued share capital of the Company and is thereby considered a controlling shareholder of the Company under the Catalist Rules. As Mr. Vincent Tchenguiz is the discretionary beneficiary of both trusts, Agriline is an "interested person" as defined under Chapter 9 of the Catalist Rules. However, the Loan bears no interest. Hence, the value at risk to the Company is S\$0.

As at the Latest Practicable Date and to the best of the Company's knowledge, save for LH, none of the Subscribers is (i) a person falling within the restrictions of Rule 812 of the Catalist Rules; and/or (ii) an interested person as defined under Chapter 9 of the Catalist Rules.

2.7 Public Float

The Catalist Rules requires a listed company to ensure that at least 10% of the total number of issued shares (excluding preference shares, convertible equity securities and treasury shares) in a class that is listed is at all times held by the public. The percentage of the existing issued share capital of the Company held in the hands of the public is approximately 70% of the total issued share capital of the Company as at the Latest Practicable Date. Upon the allotment and issuance of the Subscription Shares, assuming all Subscription Shares are issued, the percentage of the Post-Subscription Share Capital of the Company held in the hands of the public will be approximately 52.61%.

2.8 Use of Proceeds from the Proposed Subscription

Assuming all two (2) tranches of the Subscription Shares are fully subscribed, the estimated net proceeds from the Proposed Subscription, after deducting estimated fees and expenses in relation to the Proposed Subscription (including listing and application fees, professional fees and other miscellaneous expenses of approximately S\$150,000) is approximately S\$6,108,882 in the scenario of maximum subscription by LH in the Proposed Subscription (collectively, the "**Subscription Proceeds**").

The Subscription Proceeds will be used in the following order of priority:

- (a) to make repayments for the Loan taken from Agriline;
- (b) for the Group's direct and indirect investments into existing portfolio companies; and
- (c) to meet the Company's anticipated general working capital requirements.

The Company intends to utilise the Subscription Proceeds (assuming the scenario of maximum subscription by LH in the Proposed Subscription) in the following manner:

| Use of the Subscription Proceeds | Approximate Allocation of Subscription Proceeds | Approximate Percentage Allocation of Subscription Proceeds (%) |
|---|---|--|
| Repayments for the Loan taken from Agriline | S\$2,845,454 | 46.58 |
| Direct and indirect investments into new, prospective or existing | S\$1,631,714 | 26.71 |

LETTER TO SHAREHOLDERS

| Use of the Subscription Proceeds | Approximate Allocation of Subscription Proceeds | Approximate Percentage Allocation of Subscription Proceeds (%) |
|----------------------------------|---|--|
| portfolio companies of the Group | | |
| General working capital | S\$1,631,714 | 26.71 |
| Total | S\$6,108,882 | 100 |

The Directors are of the opinion that, as at the Latest Practicable Date, after taking into consideration:

- (a) the Group's present bank facilities, the working capital available to the Group is not sufficient to meet its present requirements for the next twelve (12) months from the Latest Practicable Date, and the Proposed Rights Issue and the Proposed Subscription are being undertaken for purposes set out in paragraph 2.2 of the Announcement which include meeting the anticipated general working capital requirements of the Group; and
- (b) the Group's present bank facilities and the Net Proceeds (based on the No Subscription Scenario), the working capital available to the Group is sufficient to meet its present requirements for the next twelve (12) months from the Latest Practicable Date, notwithstanding any Scale Down. For the avoidance of doubt, the Rights Issue Proceeds are not required for the Group to have sufficient working capital to meet its present requirements for the next twelve (12) months from the Latest Practicable Date.

Pending the deployment of the Rights Issue Proceeds and the Subscription Proceeds (collectively, the "**Net Proceeds**"), such Net Proceeds may be deposited with banks and/or financial institutions or invested in money market instruments and/or securities, or used for any other purpose on a short-term basis, as the Directors may in their absolute discretion deem fit.

As at the Latest Practicable Date, the Net Proceeds for general working capital have not been specifically allocated, however the Group's intention is to utilise such Net Proceeds allocated for general working capital towards its corporate expenses, professional fees, administrative and employee related expenses. The Company will make periodic announcements on the utilisation of the Net Proceeds as and when the funds are materially disbursed and whether such use is in accordance with the stated use and the stated percentage allocated. The Company will also provide a status report on the use of the Net Proceeds in the Company's interim and full-year financial statements issued under Rule 705 of the Catalist Rules and the Company's annual report. Where the Net Proceeds have been used for working capital purposes, the Company will provide a breakdown with specific details on how such proceeds have been applied in its announcements and the annual report. Where there is any material deviation from the stated use of Net Proceeds, the Company will make the necessary announcement on the reasons for such deviation.

2.9 Financial Effects of the Proposed Subscription

As the Proposed Subscription shall take place after the completion of the Proposed Rights Issue, the financial effects of the Proposed Subscription of the Company's Share capital, NTA per Share and LPS of the Group are prepared to illustrate the effects based on the completion of Proposed Rights Issue and the Proposed Subscription.

The financial effects of the Proposed Subscription, following the completion of the Proposed Rights Issue, on the Company's share capital, net tangible assets ("**NTA**") per share and loss per share ("**LPS**") of the Group have been prepared based on the Group's audited financial statements for FY2024. The financial effects below have assumed that all two (2) tranches of the Subscription Shares have been fully subscribed and are purely for illustrative purposes and

LETTER TO SHAREHOLDERS

are not indicative of the actual financial position and results of the Group after the Completion of the Proposed Subscription.

For the avoidance of doubt, the illustrations of the Maximum Subscription Scenario assume that none of the outstanding Options, which have been assumed to be exercised on or prior to the record date.

(a) Share Capital

| | No Subscription Scenario | Maximum Subscription Scenario |
|--|---|---|
| | Number of Shares (excluding treasury shares) | Number of Shares (excluding treasury shares) |

| After the Completion of the Proposed Rights Issue and Proposed Subscription ⁽²⁾ | 1,300,683,458 | 1,437,190,214 |

Notes:

- (1) Based on the existing issued share capital of 1,092,054,062 Shares as at the Latest Practicable Date. The Company has no treasury shares or subsidiary holdings.
- (2) For illustrative purposes only, following the No Subscription Scenario, up to 208,629,396 Subscription Shares will be issued in the Proposed Subscription, assuming all two (2) tranches of the Subscription Shares have been fully subscribed. For illustrative purposes only, in the Maximum Subscription Scenario, 136,506,756 Rights Shares will be issued in the Proposed Rights Issue, following which up to 208,629,396 Subscription Shares will be issued in the Proposed Subscription, assuming all two (2) tranches of the Subscription Shares have been fully subscribed.

(b) NTA

Assuming that that the Proposed Subscription, following the completion of the Proposed Rights Issue, had been effected on 31 December 2024 (being the end of the most recently completed financial year ended 31 December 2024), the effects of the Proposed Subscription, following the completion of the Proposed Rights Issue, on the NTA per share of the Group would be as follows:

| | No Subscription Scenario | | Maximum Subscription Scenario | |
|-------------------------------|--|---|--|---|
| | Before the Proposed Rights Issue and the Proposed Subscription | After the Proposed Rights Issue and the Proposed Subscription | Before the Proposed Rights Issue and the Proposed Subscription | After the Proposed Rights Issue and the Proposed Subscription |

(c) LPS

LETTER TO SHAREHOLDERS

Assuming that the Proposed Subscription, following the completion of the Proposed Rights Issue, had been effected on 1 January 2024 (being the beginning of the most recently completed financial year ended 31 December 2024), the effects of the Proposed Subscription, following the completion of the Proposed Rights Issue, on the LPS of the Group would be as follows:

| | No Subscription Scenario | | Maximum Subscription Scenario | |
|--|--|---|--|---|
| | Before the Proposed Rights Issue and the Proposed Subscription | After the Proposed Rights Issue and the Proposed Subscription | Before the Proposed Rights Issue and the Proposed Subscription | After the Proposed Rights Issue and the Proposed Subscription |

2.10 Rights of the Subscribers on the Liquidation of the Company

In the event of the liquidation of the Company on or before the date of the First Installment Completion Date, the Subscribers will not be obliged to perform their obligations under the respective Subscription Agreements. Save for the foregoing and otherwise in accordance with applicable laws, the Subscribers do not have any other rights under the respective Subscription Agreements in the event of a liquidation of the Company.

3. THE PROPOSED EXTENSION AND ALTERATION OF THE 2015 SHARE OPTION PLAN AND AUTHORITY TO ALLOT AND ISSUE SHARES UNDER THE EXTENDED 2015 SHARE OPTION PLAN

3.1 Background

The Company had adopted the 2015 Share Option Plan, which was approved by the relevant organs of the Company on 11 November 2015, in conjunction with the Company's listing on the Catalist.

The 2015 Share Option Plan shall continue in effect until the earlier of: (a) its termination by the Board; and (b) the lapse of ten (10) years from the date the Plan is adopted by the Board.

The initial duration of the 2015 Share Option Plan will expire on 10 November 2025.

3.2 Existing Options under the 2015 Share Option Plan

As at the Latest Practicable Date, a total of 156,586,564 Options exercisable into 156,586,564 Shares at exercise prices of between S\$0.0786 to S\$0.32 were granted to 107 participants, of which 14,477,752 Options were exercised, pursuant to which 14,477,752 Shares have been allotted and issued by the Company. As at the Latest Practicable Date, 63,528,001 Options remain outstanding, of which 51,346,865 Options are exercisable into 51,346,865 Shares at exercise prices of between S\$0.0786 to S\$0.32.

The following table sets out the details of Options granted under the 2015 Share Option Plan, to participants of the 2015 Share Option Plan who are Directors or the Company's controlling shareholders and their associates:

| Sarit Zeevi | 3 February 2023 | 750,000 | 750,000 |

3.3 Proposed Extension and Rationale

The 2015 Share Option Plan, if extended, will continue to advance the interests of the Company by affording to selected employees and directors of the Company or Affiliated Companies who satisfy the eligibility criteria, an opportunity to acquire a proprietary interest in the Company or to increase their proprietary interest therein, as applicable, by the grant in their favour, of Options, thus providing such Grantee an additional incentive to remain or retain employed or engaged by the Company or Affiliated Company, as the case may be, and encouraging such Grantee's sense of proprietorship and stimulating his or her active interest in the success of the Company and the Affiliated Companies by which such Grantee is employed or engaged.

As the 2015 Share Option Plan remains a key part of the Company's compensation arrangements, it is proposed that the duration of the 2015 Share Option Plan be extended for further period of ten (10) years from 11 November 2025 to 10 November 2035 (both dates inclusive) and the 2015 Share Option Plan be altered as described at Section 3.4 below.

The extension and alteration of the 2015 Share Option Plan is subject to the approval of Shareholders which is being sought at the SGM on 6 August 2025.

3.4 Proposed Alterations

- (a) Rule 1.31 defines "Record Date" as "the date as at the close of business on which the Shareholders must be registered in order to participate in any dividends, rights, allotments or other distributions". The definition is altered to "the date fixed by the Company for the purpose of determining entitlements to dividends, rights, allotments or other distributions".

The alteration is for alignment and consistency with the corresponding definition in the Catalist Rules.

- (b) Rule 5 of the Plan currently provides that "the total number of Shares for which the Committee may grant Options under this Plan at any date, when added to the number of Shares issued and/or issuable in respect of: (a) all Options already granted under the Plan and Sub-Plan; and (b) all options or awards granted under any other share option scheme or share schemes then in force, shall not exceed 15% of the total issued share capital of the Company (excluding treasury Shares) on the day immediately preceding the Date of the Grant of Options".

Rule 5 also provides that "[t]he aggregate number of Shares reserved as Option Pool in respect of all Options granted under the Plan available to Controlling Shareholders or Associates of the Controlling Shareholders (including adjustments made in accordance with Section 12 below) shall not exceed 5% of the Shares available under the Plan. The number of Shares reserved as Option Pool in respect of all Options granted under the Plan available to each Controlling Shareholder or Associate of the Controlling Shareholder (including adjustments made in accordance with Section 12) shall also not exceed 1% of the Shares available under the Plan".

LETTER TO SHAREHOLDERS

Rule 5 is proposed to be altered to:

- (i) exclude the existing Options granted before the proposed extension of the 2015 Share Option Plan from the maximum entitlement of 15% issued share capital that the Committee is allowed to grant under the Plan;
 - (ii) exclude the existing Options granted before the proposed extension of the 2015 Share Option Plan from the 5% maximum Shares reserved as Option Pool in respect of all Options granted under the Plan available to Controlling Shareholders or Associates of the Controlling Shareholders (including adjustments made in accordance with Section 12 of the Plan); and
 - (iii) exclude the existing Options granted before the proposed extension of the 2015 Share Option Plan from the 1% maximum Shares reserved as Option Pool in respect of all Options granted under the Plan available to each Controlling Shareholder or Associate of the Controlling Shareholder (including adjustments made in accordance with Section 12 of the Plan).
- (c) Rule 12.3 currently provides that “[a]ny adjustment (except in relation to a capitalisation issue) must be confirmed in writing by the Company’s auditors (acting only as experts and not as arbitrators) to be in their opinion, fair and reasonable”.

The reference to “capitalisation issue” is to be replaced with “bonus issue” in line with Rule 849(4) of the Catalyst Rules.

The alterations above are to align the Extended 2015 Share Option Plan with the Catalyst Rules and for clarity in interpreting the Extended 2015 Share Option Plan and are not for the advantage of the Grantees.

The Rules of the Extended 2015 Share Option Plan are set out in the Annex A of this Circular with the proposed alterations to the rules of the 2015 Share Option Plan blacklined for ease of reference.

3.5 Terms of the Extended 2015 Share Option Plan

A summary of the principal terms of the Extended 2015 Share Option Plan is set out as follows and should be read in conjunction with and is qualified in its entirety by reference to the Rules of the Extended 2015 Share Option Plan in Annex A hereto. Capitalised terms used in this summary which are otherwise not defined in this summary shall have meanings ascribed to them in the Rules of the Extended 2015 Share Option Plan.

(a) Eligibility

The persons eligible for participation in the Plan as Grantees include employees and directors (including executive, non-executive and independent directors) of the Company or any Affiliated Company (including persons who are responsible for or contribute to the management, growth or profitability of, or who provide substantial services to, the Company or any Affiliated Company). The Committee, in its sole discretion, shall select from time to time the individuals, from among the persons eligible to participate in the Plan, who shall receive Options. In determining the persons in favour of whom Options are to be granted, the number of Options to be granted thereto and the terms of such grants, the Committee may take into account the nature of the services rendered by such person, his/her present and future potential contribution to the Company or to the Affiliated Company by which he/she is employed or engaged, and such other factors as the Committee in its discretion shall deem relevant.

Notwithstanding anything to the contrary, Plan Controlling Shareholders and their Associates who meet the eligibility criteria set out above shall be eligible to participate in the Plan, provided that (a) the participation of; and (b) the terms of any Options to be

LETTER TO SHAREHOLDERS

granted and the actual number of Options to be granted under the Plan, to a Grantee who is a Plan Controlling Shareholder or an Associate of a Plan Controlling Shareholder, shall be approved by the independent Shareholders in separate resolutions for each such person. The Company will at such time provide the rationale and justification for any proposal to grant the Plan Controlling Shareholder or his Associate any Options (including the rationale for any discount to the market price, up to a maximum of 20.0%, if so proposed). Such Plan Controlling Shareholder and his Associate shall abstain from voting on the resolution in relation to their participation in the Plan and the grant of Options to them.

(b) Administration

The Plan and any Sub-Plans shall be administered by the Board or a Committee appointed by the Board, in its absolute discretion subject to any applicable limitations imposed by the Companies Law, and/or by any other applicable Law. The Committee shall have all of the powers of the Board granted under the Plan (in which event of such limitations, such Committee may make recommendations to the Board). Subject to the above, the term "Committee" whenever used in the Plan, shall mean the Board or the Committee, as applicable.

A Director who is a member of the Committee shall not be involved in its deliberation with respect to Options to be granted to him.

In respect of the administration of the Sub-Plan, without derogating from the powers and authorities of the Board as detailed in the Plan, the Committee shall have the sole and full discretion and authority, without the need to submit its determinations or actions to the Shareholders of the Company for their approval or authorisation, unless such approval is required to comply with applicable Mandatory Law (including, for the avoidance of doubt, the Listing Manual), to administer the Sub-Plan and to take all actions related hereto in the Sub-Plan and to such administration, including without limitation the performance, from time to time and at any time, of any and all of the following:

- (i) subject to the terms and conditions set forth in Section 102 of the Israeli Income Tax Ordinance [New Version], 1961, and the rules and regulations promulgated thereunder, as are in effect from time to time, and any similar successor rules and regulations ("**Section 102**"), the determination of the specific tax track in which the Options are to be issued is subject to applicable restrictions or limitations as provided in applicable Law including without limitation any applicable restrictions and limitations in Section 102 regarding the eligibility of Israeli Grantees to each of the following tax tracks, based on their capacity and relationship towards the Company:
 - (A) 102 Trustee Options – in such tax track as determined in accordance with the Election;
 - (B) 102 Non-Trustee Options; or
 - (C) 3(i) Options;
- (ii) the Election;
- (iii) the appointment of the Trustee; and
- (iv) the adoption of forms of Option Agreements to be applied with respect to Israeli Grantees (the "**Israeli Option Agreement**"), incorporating and reflecting, *inter alia*, relevant provisions regarding the grant of Options in accordance with the Sub-Plan, and the amendment or modification from time to time of the terms of such Israeli Option Agreements.

LETTER TO SHAREHOLDERS

(c) Option Pool

The Company shall at all times until the expiration or termination of the Plan keep reserved a sufficient number of Shares to meet the requirements of the Plan (the “**Option Pool**”). Any of such Shares which, as of the expiration or termination of the Plan, remain unissued and not subject to outstanding Options, shall at such time cease to be reserved for the purposes of the Plan. Should any Option for any reason expire or be cancelled prior to its exercise or relinquishment in full, such Option may be returned to the pool of Options and may again be granted under the Plan.

Notwithstanding anything to the contrary, the total number of Shares for which the Committee may grant Options under the Plan at any date, when added to the number of Shares issued and/or issuable in respect of: (a) all Options already granted under the Plan and Sub-Plan (excluding existing Options granted on or before 10 November 2025 under the 2015 Share Option Plan); and (b) all options or awards granted under any other share option scheme or share schemes then in force, shall not exceed 15.0% of the total issued share capital of the Company (excluding treasury Shares) on the day immediately preceding the Date of Grant of the Options.

The Directors believe that this limit gives the Company sufficient flexibility to decide upon the number of Options to be offered under the Plan. The Company, in line with the goal of ensuring sustainable growth, is constantly reviewing the position and considering the expansion of the talent pool. The number of eligible participants is expected to grow over the years. The Directors are of the opinion that this limit will enable the Company to grant sufficient number of Options to eligible participants to serve as a meaningful reward for contributions to the Group. However, it does not necessarily mean that the Company will definitely issue Shares up to the prescribed limits. The Committee shall exercise its discretion judiciously in deciding the number of Shares to be granted to each eligible participant, which will depend on, *inter alia*, the performance and value of the participant to the Group.

(d) Maximum Entitlements

In determining the persons in favour of whom Options are to be granted, the number of Options to be granted thereto and the terms of such grants, the Committee may take into account the nature of the services rendered by such person, his/her present and future potential contribution to the Company or to the Affiliated Company by which he/she is employed or engaged, and such other factors as the Committee in its discretion shall deem relevant.

The aggregate number of Shares reserved as Option Pool in respect of all Options granted under the Plan available to Plan Controlling Shareholders or Associates of the Plan Controlling Shareholders (including adjustments made in accordance with Section 12 of the Plan) (excluding existing Options granted on or before 10 November 2025 under the 2015 Share Option Plan) shall not exceed 5.0% of the Shares available under the Plan. The number of Shares reserved as Option Pool in respect of all Options granted under the Plan available to each Plan Controlling Shareholder or Associate of the Plan Controlling Shareholder (including adjustments made in accordance with Section 12 of the Plan) (excluding existing Options granted on or before 10 November 2025 under the 2015 Share Option Plan) shall also not exceed 1.0% of the Shares available under the Plan.

(e) Options, Exercise Period and Exercise Price

The Exercise Price for each Grantee shall be as determined by the Committee and specified in the applicable Option Agreement; provided, however, that: (i) unless otherwise determined by the Committee (which determination shall not require shareholder approval, unless so required in order to comply with the provisions of applicable Mandatory Law (including, for the avoidance of doubt, the Listing Manual)), the Exercise Price shall be the Fair Market Value of the Shares on the Date of Grant

LETTER TO SHAREHOLDERS

("Fair Market Value Option"); and (ii) where the Exercise Price is set at a discount to the Fair Market Value of the Shares, the maximum discount shall not exceed 20.0% of the Fair Market Value of the Shares (or such other percentage or amount as may be determined by the Committee and permitted by the Sponsor or (if required) any other stock exchange on which the Shares are quoted) ("**Discounted Option**").

Fair Market Value Options may be exercised after the first anniversary of the Date of Grant of the Option while Discounted Options may only be exercised after the second anniversary from the Date of Grant of the Option ("**Cliff Period**"). Unless otherwise determined by the Committee with respect to any specific Grantee and/or to any specific grant following the Cliff Period, the options shall vest upon the lapse of each full additional one (1) month thereafter of the Grantee's continuous Service thereafter, until all the Options are vested (that is, 100% of the grant will be vested after three (3) years).

Unless expired earlier pursuant to either Sections 7.4 or 9 of the Plan, unexercised Options shall expire and terminate and become null and void upon the lapse of ten (10) years from the Date of Grant.

(f) Grant of Options

There are no fixed periods for the grant of Options. The Committee, in its sole discretion shall select from time to time the individuals, from among the persons eligible to participate in the Plan, who shall receive Options. However, the Date of Grant shall not occur prior to the date on which the Company has obtained all approvals required in connection with the grant of such Options, including without limitation, where applicable, an approval by the applicable stock exchange with respect to the listing of the Exercised Shares for trading at such a stock exchange.

Every Option shall be subject to the condition that no Shares shall be issued pursuant to the exercise of an Option if such issue would be contrary to the constitutive documents of the Company or any law or enactment, or any rules or regulations of any legislative or non-legislative governing body for the time being in force in Singapore or any other relevant country.

Each Option granted pursuant to the Plan shall be evidenced by an Option Agreement. Option agreements between the Company and a Grantee will be in such form approved by the Board, which may be a general form or a specific form with respect to a certain Grantee.

(g) Acceptance of Options

The Options shall be granted for no consideration.

(h) Termination of Options

Provisions in the rules of the Plan deal with the termination or earlier exercise of Options in circumstances which include the termination of the Grantee's Service, the bankruptcy of the Grantee, the liquidation or dissolution of the Company and in the event of a Merger Transaction.

(i) Rights of Shares Arising from the Exercise of Options

Exercised Shares allotted and issued upon the exercise of an Option shall be subject to the provisions in the Plan and any applicable Sub-Plan, the Option Agreement and all provisions of the Company's Articles and shall rank *pari passu* in all respects with the then existing issued Shares in the capital of the Company except for any dividends, rights, allotments or other distributions, the Record Date for which is prior to the date such Option is exercised.

LETTER TO SHAREHOLDERS

Other than by will or Laws of descent, neither the Options nor any of the rights in connection therewith shall be assignable, transferable, made subject to attachment, lien or encumbrance of any kind, and the Grantee shall not grant with respect thereto any power of attorney or transfer deed, whether valid immediately or in the future. Following the exercise of the vested Options, the transfer of the Exercised Shares is subject to the provisions in the Plan and any applicable Sub-Plan as well as the Option Agreement, including certain conditions and restrictions on transfers.

In the event that the Company is liquidated or dissolved while unexercised Options remain outstanding under the Plan, then all or part of such outstanding Options may be exercised in full by the Grantees as of immediately prior to the effective date of such liquidation or dissolution of the Company, without regard to the vesting terms thereof.

(j) Duration of the Plan

The Plan shall become effective as of the day it was adopted by the Board, and shall continue in effect until the earlier of: (a) its termination by the Board; or (b) the lapse of ten (10) years from the date the Plan is adopted by the Board. The termination, discontinuance or expiry of the Plan shall be without prejudice to the rights accrued to Options which have been granted and accepted in accordance with the rules of the Plan, whether such Options have been exercised (whether fully or partially) or not.

(k) Abstention from Voting

Shareholders who are eligible to participate in the Plan shall abstain from voting on any resolution relating to the Plan (other than a resolution relating to the participation of, or grant of options to, directors and employees of the Company's parent company and its subsidiaries if applicable) including the following resolutions where applicable: (a) implementation of the Plan; (b) discount quantum; and (c) participation by and option grant to Plan Controlling Shareholders and their Associates.

(l) Grant of Discounted Options

Discounted Options will only be granted to deserving employees whose performance has been consistently good and/or whose future contributions to the Group will be invaluable. The ability to offer Discounted Options will operate as a means to recognise the performance of participants as well as to motivate them to continue to excel while encouraging them to focus on improving the profitability and return of the Group to a level that benefits the Shareholders when these are eventually reflected through an appreciation of the share price. Discounted Options would be perceived in a more positive light by the participants, inspiring them to work hard and produce results in order to be offered Discounted Options as only employees who have made significant contributions to the success and development of the Group would be granted Discounted Options.

The flexibility to grant Discounted Options is also intended to cater to situations where the stock market performance has overrun the general market conditions. In such events, the Committee will have absolute discretion to:

- (i) grant Options set at a discount to the Fair Market Value of a Share (subject to a maximum limit of 20.0%); and
- (ii) determine the participants to whom, and the Options to which, such reduction in exercise prices will apply.

In determining whether to give a discount and the quantum of the discount, the Committee shall be at liberty to take into consideration factors including the performance of the Company, the Group, the performance of the participant concerned, the contribution of the participant to the success and development of the Group and the prevailing market conditions.

LETTER TO SHAREHOLDERS

At present, the Company foresees that Discounted Options may be granted principally in the following circumstances:

- (i) Firstly, where it is considered more effective to reward and retain talented employees by way of a Discounted Option rather than a Fair Market Value Option. This is to reward the outstanding performers who have contributed significantly to the Group's performance and the Discounted Option serves as additional incentives to such Group employees. Options granted by the Company on the basis of Fair Market Value may not be attractive and realistic in the event of an overly buoyant market and inflated share prices. Hence during such period the ability to offer Discounted Options would allow the Company to grant Options on a more realistic and economically feasible basis. Furthermore, Discounted Options will give an opportunity to the Group employees to realise some tangible benefits even if external events cause the Share price to remain largely static.
- (ii) Secondly, where it is more meaningful and attractive to acknowledge a participant's achievements through a Discounted Option rather than paying him a cash bonus. For example, Discounted Options may be used to compensate employees and to motivate them during economic downturns when wages (including cash bonuses and annual wage supplements) are frozen or cut, or they could be used to supplement cash rewards in lieu of larger cash bonuses or annual wage supplements. Accordingly, it is possible that merit-based cash bonuses or rewards may be combined with grants of Fair Market Value Options or Discounted Options, as part of eligible employees' compensation packages. The Plan and Sub-Plan will provide the Group employees with an incentive to focus more on improving the profitability of the Group thereby enhancing shareholder value when these are eventually reflected through the price appreciation of the Shares after the vesting period.

The Committee will have the absolute discretion to grant Discounted Options, to determine the level of discount (subject to a maximum discount of 20.0% of the Fair Market Value) and the grantees to whom, and the Options to which, such discount in the exercise price will apply provided that the Shareholders in general meeting shall have authorised, in a separate resolution, the making of offers and grants of Options under the Plan and Sub-Plan at a discount not exceeding the maximum discount as aforesaid. Such Discounted Options may be exercisable after two (2) years from the Date of Grant.

The Company may also grant Options without any discount to the Fair Market Value. Additionally, the Company may, if it deems fit, impose conditions on the exercise of the Options (whether such Options are granted at the Fair Market Value or at a discount to the Fair Market Value), such as restricting the number of Shares for which the Option may be exercised during the initial years following its vesting.

(m) **Cost of Options Granted under the Plan and Sub-Plan to the Company**

Any Options granted under the Plan and Sub-Plan would have a fair value. Where such options are granted at a consideration below their fair value, there will be a cost to the Company. The cost to the Company of granting Options under the Plan and Sub-Plan would be as follows:

- (i) the grant of Options under the Plan and Sub-Plan will have an impact on the Company's reported profit because under IFRS 2, share-based payment requires the recognition of an expense in respect of Options granted under the Plan and Sub-Plan. The expense will be based on the fair value of the Options at Date of Grant and will be recognised over the vesting period;
- (ii) the exercise of an Option at a discounted exercise price would translate into a reduction of the proceeds from the exercise of such options, as compared to

LETTER TO SHAREHOLDERS

the proceeds that the Company would have received from such exercise had the exercise been made at the prevailing fair market value of the Shares. Such reduction of the exercise proceeds would represent a monetary cost to the Company of granting Options with a discounted exercise price;

- (iii) as the monetary cost of granting Options with a discounted exercise price is borne by the Company, the earnings of the Company would effectively be reduced by an amount corresponding to the reduced interest earnings that the Company would have received from the difference in proceeds from an exercise price with no discount versus the discounted exercise price. Such reduction would, accordingly, result in the dilution of the Company's EPS; and
- (iv) the effect of the issue and allotment of new Shares upon the exercise of Options on the Company's NAV per Share is accretive if the exercise price is above the NAV per Share, but dilutive otherwise.

The cost of granting Options discussed in (a) above would be recognised in the financial statements even if the Options discussed in (a) above are not exercised. The financial effects discussed above in (b), (c) and (d) would only materialise upon the exercise of the relevant Options.

Options have value because the option to buy a company's share for a fixed price during an extended future time period is a valuable right, even if there are restrictions attached to such an option. As the Company is required to account for share-based awards granted to the employees, the cost of granting Options will affect the financial results as this cost to the Company will be required to be charged to the Company's profit or loss commencing from the time Options are granted. Subject as aforesaid, as and when the Options are exercised, the cash inflow will add to the net tangible assets of the Company and its share capital base will grow. Where Options are granted with subscription prices that are set at a discount to the fair market values for the Shares prevailing at the time of the grant of such Options, the amount of the cash inflow to the Company on the exercise of such Options would be diminished by the quantum of the discount given, as compared with the cash inflow that would have been receivable by the Company had the Options been granted at the fair market value of the Shares prevailing at the time of the grant.

The grant of Options will have an impact on the Company's reported profit under the accounting rules in IFRS 2. The cost to the Company in granting an Option would vary depending on the number of Options granted pursuant to the Plan and Sub-Plan, whether these Options are granted at fair market value or at a discount and the exercise period of the Options. Generally, a greater discount and a longer exercise period for an Option will result in higher potential cost to the Company.

- (n) Rationale for Participation by the Controlling Shareholders and Associates of the Controlling Shareholders in the Plan and Sub-Plan

The Company acknowledges that the services and contributions of employees who are Controlling Shareholders or Associates of the Controlling Shareholders are important to the development and success of the Group. The extension of the Plan and Sub-Plan to confirmed full-time employees who are Controlling Shareholders or Associates of the Controlling Shareholders allows the Group to have a fair and equitable system to reward employees who have actively contributed to the progress and success of the Group. The participation of the Controlling Shareholders or the Associates of the Controlling Shareholders in the Plan and Sub-Plan will serve both as a reward to them for their dedicated services to the Group and a motivation for them to take a long-term view of the Group.

Although participants who are Controlling Shareholders or Associates of the Controlling Shareholders may already have shareholding interests in the Company, the extension of the Plan and Sub-Plan to include them ensures that they are equally entitled, with

LETTER TO SHAREHOLDERS

the other employees of the Group who are not Controlling Shareholders or Associates of the Controlling Shareholders, to take part and benefit from this system of remuneration. We are of the view that a person who would otherwise be eligible should not be excluded from participating in the Plan and Sub-Plan solely by reason that he/she is a Controlling Shareholder or an Associate of the Controlling Shareholder(s).

The specific approval of the independent Shareholders is required for the proposed participation of any Controlling Shareholder and/or their Associates in the Plan and Sub-Plan as well as any specific grant thereunder to such persons. Separate resolutions must be passed for each such person and, in the case of a grant, the resolution must state the actual number of Shares comprised in the specific grant and its applicable terms, as well as the Company's rationale for such proposal. On the foregoing basis, we are of the view that there are sufficient safeguards against abuse resulting from the participation of the Controlling Shareholders and/or their Associates in the Plan and Sub-Plan.

- (o) Rationale for Participation by the Non-Executive Directors (including Independent Directors) in the Plan and Sub-Plan

While the Plan and Sub-Plan cater principally to Group employees, it is recognised that there are other persons who make significant contributions to the Group through their close working relationships with the Group, even though they are not employed within the Group. Such persons include the Non-Executive Directors (including Independent Directors).

The Non-Executive Directors are persons from different professions and working backgrounds, bringing to the Group their wealth of knowledge, business expertise and contacts in the business community. They play an important role in helping the Group shape the business strategy by allowing the Group to draw on their diverse backgrounds and working experience. Although the Non-Executive Directors are not involved in the day-to-day running of the operations, they play an invaluable role in furthering the business interests of the Group by contributing their experience and expertise. It is crucial for the Group to attract, retain and incentivise the Non-Executive Directors. By aligning the interests of the Non-Executive Directors with the interests of Shareholders, the Company aims to inculcate a sense of commitment on the part of the Non-Executive Directors towards serving the short and long-term objectives of the Group.

The participation by Non-Executive Directors in the Plan and Sub-Plan will provide the Company with a further avenue to acknowledge and recognise their services and contributions to the Group as it may not always be possible to compensate them fully or appropriately by increasing the directors' fees or other forms of cash payment. For instance, the Non-Executive Directors may bring strategic or other value to the Company which may be difficult to quantify in monetary terms. The grant of Options to Non-Executive Directors will allow the Company to attract and retain experienced and qualified persons from different professional backgrounds to join the Company as Non-Executive Directors, and to motivate existing Non-Executive Directors to take extra efforts to promote the interests of the Company and/or the Group.

However, as their services and contributions cannot be measured in the same way as the full-time employees of the Group, for the purpose of assessing the contributions of the Non-Executive Directors, the Committee will propose a performance framework comprising mainly non-financial performance measurement criteria such as the extent of involvement and responsibilities shouldered by the Non-Executive Directors, taking into consideration, *inter alia*, his performance and contributions to the success and development of the Group, his committee memberships in the Group, as well as his contribution, which includes contribution of his experience in the areas of overall business strategies, risk management and investment decisions.

LETTER TO SHAREHOLDERS

In order to minimise any potential conflict of interests and not to compromise the independence of the Non-Executive Directors, we intend to grant only a nominal number of Options to such Non-Executive Directors. The Committee may also decide that no Options shall be granted in any financial year or no Option may be granted at all.

- (p) Rationale for Participation by Employees and/or Directors of the Associated Companies in the Plan and Sub-Plan

It is desirable for the Company to have a share option plan which caters to the directors and/or employees who are employed by the associated companies (that is, a company in which at least 20.0% but not more than 50.0% of its shares are held by the Company or the Company's subsidiaries and which the Company has control over) and work closely with the Company and/or the Subsidiaries and who, by reason of their relationship with the Company and/or the Subsidiaries, are in a position to input and contribute their experience, knowledge and expertise to the significant development and prosperity of the Group.

4. PROPOSED GRANT OF OPTIONS TO THE EXTERNAL DIRECTORS AND NON-EXECUTIVE DIRECTORS (EXCLUDING MR HAIM BROSH) OF THE COMPANY

4.1 Background and Rationale

Under the Companies Law, arrangements regarding the compensation of a director of a publicly traded Company require the prior approval of a Company's Remuneration Committee, Board of Directors and Shareholders, in that order.

The Company's Compensation Policy authorises cash and equity-based compensation to External Directors and Non-Executive Directors, as further described below.

The grant of Options is offered as remuneration for their past and future contributions and efforts as External Directors and Non-Executive Directors of the Company, taking into account the considerable amount of time required from them in order to fulfill their activities as such officers and to contribute to the Company's success. Moreover, such grant of Options provides an opportunity for External Directors and Non-Executive Directors of the Company to participate in the equity of the Company which will help the Company to attract and retain the services of appropriate, qualified and experienced personnel to fulfill such positions.

In line with the limitations set forth in the Compensation Policy with respect to equity-based remuneration for External Directors and Non-Executive Directors, the RC and Board are of the opinion that, it would be appropriate to compensate External Directors and Non-Executive Directors (excluding Mr Haim Brosh) with the grant of Options as follows:

- (a) to External Directors and Non-Executive Directors (excluding Mr Haim Brosh), namely, Nehama Ronen, Elka Nir, Sin Boon Ann, Professor Low Teck Seng and Sarit Zeevi, 1,500,000 Options exercisable into 156,586,564 Shares for each of them; and
- (b) the value of the equity grants to each of the External Directors and Non-Executive Directors (excluding Mr Haim Brosh) equals, at the Latest Practicable Date, to approximately US\$18,000 each. Such grants of Options are in line with the Compensation Policy, according to which, the External Directors and Non-Executive Directors are entitled to receive an equity-based compensation at an annual value which shall not exceed US\$75,000.

The RC and Board believe that the above-mentioned grants of Options are in the best interests of the Company, and recognise the time, attention and expertise required by each of the External Directors and Non-Executive Directors (excluding Mr Haim Brosh).

LETTER TO SHAREHOLDERS

For further information regarding the remuneration of the External Directors and Non-Executive Directors, please refer to the Corporate Governance Report (Provisions 8.1 and 8.2 of the 2018 Code) in the Company's Annual Report for FY2024.

4.2 Details of the Options to be Granted

Details regarding the Options to be granted to each of the External Directors and Non-Executive Directors (excluding Mr Haim Brosh) are set out below:

- (a) Date of grant of Options: 9 August 2025.
- (b) Exercise price of each Option: A price equal to the average of the last dealt prices for the Shares on Catalist over the thirty (30) consecutive trading days immediately preceding the date of grant of Options.
- (c) Number of Options: 1,500,000 Options exercisable into 1,500,000 Shares to each of the External Directors and Non-Executive Directors (excluding Mr Haim Brosh).
- (d) Validity period of Options: 10 years from the date of grant.
- (e) Exercise period: The Options are exercisable only after 12 months from the date of grant. One third (1/3) of the Options will vest and become exercisable after 12 months from the date of grant and the rest of the Options will vest and become exercisable in equal monthly instalments over a period of 24 months thereafter.

Under the Companies Law, the proposed grant of Options to each of the External Directors and Non-Executive Directors (excluding Mr Haim Brosh) shall require approval by a simple majority of the Shareholders.

5. PROPOSED GRANT OF OPTIONS TO THE CEO OF THE COMPANY

5.1 Background and Rationale

Pursuant to the Companies Law, the terms of office and employment of the CEO are required to be approved in turn by the RC, Board and Shareholders by a Disinterested Majority.

The RC and Board have decided to provide the CEO with another equity grant, which provides a strong retention effect, strongly incentivising the CEO to link his future with the Company, while motivating him to continue pushing the Company to benefit its Shareholders. This reward is a non-recurring award which is separate from the CEO ongoing annual compensation package.

In making its recommendation regarding the approval of Options grant to the CEO, the RC and the Board each have also considered, *inter alia*: (i) the factors included in the Compensation Policy, including, the position, tenure, responsibilities, background and experience of the CEO; (ii) that the Options grants reflect a fair and reasonable value for the CEO's services; and (iii) the number of Options held by the CEO prior to this proposed Options grant. The proposed grant is consistent with the Company's Compensation Policy. The RC and Board have approved, and resolved to recommend to the Shareholders to approve, the grant of 18,000,000 Options exercisable into 18,000,000 Shares to the CEO.

The RC and Board believe that such number of Options is in the best interest of the Company and its Shareholders as it would help to align the interest of the CEO with Shareholders. Further, the cost of grant is in line with the existing market practice, having considered the anticipated services to be provided by the CEO. The aggregate amount of Options equals approximately 1.65% of the Company's outstanding share capital (and 1.25% of the Company's Post-Subscription Share Capital) and 1.56% of the Company's share capital on a fully diluted basis as of the Latest Practicable Date (and 1.20% of the Company's Post Subscription Share Capital on a fully diluted basis).

LETTER TO SHAREHOLDERS

5.2 Details of the Options to be granted

Details regarding the Options to be granted to the CEO are set out below:

- (a) Date of grant of Options: 9 August 2025.
- (b) Exercise price of each Option: A price equal to the average of the last dealt prices for the Shares on Catalist over the thirty (30) consecutive trading days immediately preceding the date of grant of Options.

9. ACTION TO BE TAKEN BY SHAREHOLDERS

9.1 Abstention from Voting

(a) Ordinary Resolutions 1, 2 and 5

Each Shareholder voting on Ordinary Resolutions 1 and 2 to be proposed at the SGM is required to indicate whether or not he has a personal interest in the proposals.

Each Shareholder voting on Ordinary Resolution 5 to be proposed at the SGM is required to indicate whether or not he is a Controlling Shareholder (as defined in the Companies Law) or has a personal interest in the proposal.

Under the Companies Law, in general, a person will be deemed to be a Controlling Shareholder if that person has the power to direct the activities of the Company, otherwise than by reason of being a director or other office holder of the Company, and a person is deemed to have a personal interest if any member of the Shareholder's immediate family, or the immediate family of a Shareholder's spouse, has a personal interest in the adoption of the proposal.

In addition, you are deemed to have a personal interest if a company that is affiliated with you, other than the Company, has a personal interest in the adoption of the proposal. Such company is a company in which you or a member of your immediate family serves as a director or chief executive officer, has the right to appoint a director or the chief executive officer, or owns 5% or more of the outstanding shares. However, you are not deemed to have a personal interest in the adoption of the proposal if your interest in such proposal arises solely from your ownership of the Shares, or from a matter that is not related to a relationship with a Controlling Shareholder (as defined under the Companies Law).

To avoid confusion, each Shareholder, who has not delivered a written notice to the Company that he or she has a personal interest in the Ordinary Resolutions 1 and 2, will be deemed to confirm that such shareholder does not have personal interest (other than LH as detailed below). If you believe that you, or a related party of yours, possesses a personal interest with respect to the proposed Ordinary Resolutions 1 and 2, please deliver a written notice to Mrs Sahar Farah, Joint Company Secretary, at CompanySecretary@trendlines.com.

To avoid confusion, each Shareholder, who has not delivered a written notice to the Company that he or she has a personal interest in the Ordinary Resolution 5 or that she or he is a Controlling Shareholder, will be deemed to confirm that such shareholder does not have personal interest or is not a Controlling Shareholder (other than LH as detailed below). If you believe that you, or a related party of yours, is a Controlling Shareholder or possesses a personal interest with respect to the proposed Ordinary Resolution 5, please deliver a written notice to Mrs Sahar Farah, Joint Company Secretary, at CompanySecretary@trendlines.com.

If you hold your Shares through a bank, broker or other nominee and believe that you possess a personal interest in the approval of the proposed ordinary resolutions or you are a Controlling Shareholder, you may also contact the representative managing your account, who could then contact us on your behalf as described in the preceding sentence.

LETTER TO SHAREHOLDERS

As LH is (i) a person falling within the restrictions of Rule 812(1) of the Catalist Rules; and (ii) an interested person as defined under Chapter 9 of the Catalist Rules, LH and its associates shall abstain from voting on Ordinary Resolution 1 in relation to the Proposed Subscription by LH.

Furthermore, please note that as of the Latest Practicable Date, while LH is a Controlling Shareholder as defined under the Catalist Rules, to the best of the knowledge of the Company, it is not deemed to be a Controlling Shareholder as defined under the Companies Law. However, for the purposes of Ordinary Resolutions 1 and 2, LH and the other Subscribers shall be regarded as Controlling Shareholders as explained under Section 2.1 of this Circular for the sake of caution only. Consequently, LH, the other Subscribers and their respective associates shall abstain from exercising any voting rights on Ordinary Resolutions 1 and 2 in relation to the Proposed Subscription by LH and the other Subscribers, as set out in the Notice of SGM and shall not accept appointments as proxies unless specific instructions as to voting are given. Accordingly, for the purposes of Ordinary Resolution 5, LH shall be regarded as Controlling Shareholder.

Further, Mr Haim Brosh is deemed to have a personal interest in Ordinary Resolution 5 as the Company is a company in which Mr Haim Brosh serves as a CEO. Consequently, Mr Haim Brosh and his respective associates shall abstain from exercising any voting rights on Ordinary Resolution 5 in relation to the proposed grant of Options to him, as set out in the Notice of SGM and shall not accept appointments as proxies unless specific instructions as to voting are given. The Company will disregard any votes cast by Mr Haim Brosh and his respective associates on Ordinary Resolution 5 in relation to the proposed grant of Options, as set out in the Notice of SGM.

Pursuant to Rule 858 of the Catalist Rules and also Rule 4.3 of the Extended 2015 Share Option Plan, Shareholders who are eligible to participate in the Plan shall abstain from voting on any resolution relating to the Plan (other than a resolution relating to the participation of, or grant of options to, directors and employees of the Company's parent company and its subsidiaries if applicable).

Hence, all Shareholders that are eligible to participate shall abstain from voting in respect for Ordinary Resolution 3 and shall not accept appointments as proxies unless specific instructions as to voting are given in the proxy instrument in respect of how the relevant Shareholder wishes their votes to be cast for Ordinary Resolution 3. The Company will disregard any votes cast by the above-mentioned persons on Ordinary Resolution 3 in relation to the proposed extension and alteration of the 2015 Share Option Plan, as set out in the Notice of SGM.

THE TRENDLINES GROUP LTD.
2015 GLOBAL SHARE OPTION PLAN

1 Definitions

As used herein capitalized terms shall have the meanings set forth in Annex A hereto, unless the context clearly indicates to the contrary.

2 The Plan

2.1 Purpose

The purpose and intent of the Plan is to advance the interests of the Company by affording to selected employees and directors of the Company or Affiliated Companies, who have contributed or will contribute to the growth and performance of the Company or its Affiliated Companies, and who satisfy the eligibility criteria as set out in Section 4 below, an opportunity to acquire a proprietary interest in the Company or to increase their proprietary interest therein, as applicable, by the grant in their favor, of Options, thus providing such Grantee an additional incentive to remain or retain employed or engaged by the Company or Affiliated Company, as the case may be, and encouraging such Grantee's sense of proprietorship and stimulating his or her active interest in the success of the Company and the Affiliated Company by which such Grantee is employed or engaged.

2.2 Effective Date and Term

The Plan shall become effective as of the day it was adopted by the Board, and shall continue in effect until the earlier of: (a) its termination by the Board; or (b) the lapse of ten (10) years from the date the Plan is adopted by the Board. The termination, discontinuance or expiry of the Plan shall be without prejudice to the rights accrued to Options which have been granted and accepted in accordance with the rules of the Plan, whether such Options have been exercised (whether fully or partially) or not.

3 Administration

3.1 This Plan and any Sub-Plans shall be administered by the Board or a Committee appointed by the Board, in its absolute discretion subject to any applicable limitations imposed by the Companies Law, and/or by any other applicable Law. The Committee shall have all of the powers of the Board granted herein (in which event of such limitations, such Committee may make recommendations to the Board). Subject to the above, the term "Committee" whenever used herein, shall mean the Board or the Committee, as applicable.

3.2 Unless specifically required otherwise under applicable Mandatory Law (including, for the avoidance of doubt, the Listing Manual) and subject to Section 3.4 below, the Committee shall have sole and full discretion and authority, without the need to submit its determinations or actions to the shareholders of the Company for their approval or authorization, to administer the Plan and any Sub-Plans and all actions related thereto, including without limitation the performance, at any time and from time to time, of any and all of the following:

Annex A
Rules of the Trendlines Group Ltd. 2015 Global Share Option Plan

 - 3.2.3 the determination of the applicable tax regimes to which the Options will be subject;
 - 3.2.4 the determination of the terms and form of the Option Agreements (which need not be identical), whether a general form or a specific form with respect to a certain Grantee;
 - 3.2.5 any other action and/or determination deemed by the Committee to be required or advisable for the administration of the Plan and/or any Sub-Plan or Option Agreement;
 - 3.2.6 the determination of the Fair Market Value of the Shares, and the mechanism of such determination;
 - 3.2.7 the interpretation of the Plan, any Sub-Plans, and the Option Agreements; and
 - 3.2.8 the adoption of Sub-Plans, including without limitation the determination, if the Committee sees fit to so determine, that to the extent any terms of such Sub-Plan are inconsistent with the terms of this Plan, the terms of such Sub-Plan shall prevail.
- 3.3 A Director who is a member of the Committee shall not be involved in its deliberation with respect to Options to be granted to him.
- 3.4 Unless specifically required otherwise under applicable Mandatory Law (including, for the avoidance of doubt, the Listing Manual), the Committee may, without shareholder approval, amend, modify (including by adding new terms and rules), and/or cancel or terminate this Plan, any Sub-Plans, and any Options granted under this Plan or any Sub-Plans, any of their terms, and/or any rules, guidelines or policies relating thereto. Notwithstanding the foregoing: **(a)** any modification or alteration which, in the opinion of the Committee, shall adversely alter or modify the rights attached to any Option granted prior to such modification or alteration may only be made with the consent in writing of such number of Grantees who, if they exercised their Options in full, would thereby become entitled to not less than three quarters (3/4) of the total number of Shares granted upon exercise in full of all outstanding Options; **(b)** any modification or alteration which would be to the advantage of Grantees under the Plan shall be subject to the prior approval of the Shareholders in general meeting; **(c)** no modification or alteration shall be made without the prior approval of the Sponsor or (if required) any other stock exchange on which the Shares are quoted; and **(d)** any material amendments to the Plan or any Sub-Plans (but not the exercise of discretion under the Plan or any Sub-Plans) shall be subject to shareholder approval to the extent so required by applicable Mandatory Law (including, for the avoidance of doubt, the Listing Manual).

For the purpose of this Section 3.4, the opinion of the Committee as to whether any modification or alteration adversely alter or modify the rights attaching to any Option shall be final and conclusive.

It shall be clarified that a written notice of any modification or alteration made in accordance with this Section 3.4 shall be given to all Grantees.

Annex A
Rules of the Trendlines Group Ltd. 2015 Global Share Option Plan

- 3.5 The termination or cancelation of this Plan and/or any applicable Sub-Plan will not affect the ability of the Committee to exercise its powers with respect to any then outstanding Options granted prior to the date of such termination.

4 Eligibility

- 4.1 The persons eligible for participation in the Plan as Grantees include employees and directors (including executive, non-executive and independent directors) of the Company or any Affiliated Company (including persons who are responsible for or contribute to the management, growth or profitability of, or who provide substantial services to, the Company or any Affiliated Company). The Committee, in its sole discretion shall select from time to time the individuals, from among the persons eligible to participate in the Plan, who shall receive Options. In determining the persons in favour of whom Options are to be granted, the number of Options to be granted thereto and the terms of such grants, the Committee may take into account the nature of the services rendered by such person, his/her present and future potential contribution to the Company or to the Affiliated Company by which he/she is employed or engaged, and such other factors as the Committee in its discretion shall deem relevant.
- 4.2 Notwithstanding anything to the contrary, Controlling Shareholders and their Associates who meet the eligibility criteria in Section 4.1 above shall be eligible to participate in the Plan, provided that (a) the participation of; and (b) the terms of any Options to be granted and the actual number of Options to be granted under the Plan, to a Grantee who is a Controlling Shareholders or an Associate of a Controlling Shareholder, shall be approved by the independent Shareholders in separate resolutions for each such person. The Company will at such time provide the rational and justification for any proposal to grant the Controlling Shareholder or his Associate any Options (including the rationale for any discount to the market price, up to a maximum of 20%, if so proposed). Such Controlling Shareholder and his Associate shall abstain from voting on the resolution in relation to their participation in this Plan and the grant of Options to them.
- 4.3 Shareholders who are eligible to participate in the Plan shall abstain from voting on any resolution relating to the Plan (other than a resolution relating to the participation of, or grant of options to, directors and employees of the Company's parent company and its subsidiaries if applicable) including the following resolutions where applicable: (a) implementation of the Plan; (b) discount quantum; and (c) participation by and option grant to Controlling Shareholders and their Associates. The Company's parent company (and its associates) and directors and employees of the Company's parent company (and its subsidiaries), who are also Shareholders and are eligible to participate in the Plan, must abstain from voting on any resolution relating to the participation of, or the grant of Options to, directors and employees of the Company's parent company and its subsidiaries.
- 4.4 Subject to any requirements of the SGX-ST and unless otherwise is required in order to comply with the provisions of applicable Mandatory Law (including, for the avoidance of doubt, the Listing Manual), the terms of eligibility for participation in the Plan may be amended from time to time at the absolute discretion of the Committee, which would be exercised judiciously.

5 Option Pool and Maximum Entitlement

The Company shall at all times until the expiration or termination of this Plan keep reserved a sufficient number of Shares to meet the requirements of this Plan (the "Option Pool"). Any of such Shares which, as of the expiration or termination of this Plan, remain unissued and not subject to outstanding Options, shall at such time cease to be reserved for the purposes of this

Annex A
Rules of the Trendlines Group Ltd. 2015 Global Share Option Plan

Plan. Should any Option for any reason expire or be cancelled prior to its exercise or relinquishment in full, such Option may be returned to the pool of Options and may again be granted under this Plan.

Notwithstanding anything to the contrary, the total number of Shares for which the Committee may grant Options under this Plan at any date, when added to the number of Shares issued and/or issuable in respect of: (a) all Options already granted under the Plan and Sub-Plan (excluding existing Options granted on or before 10 November 2025 under the 2015 Share Option Plan and Sub-Plan); and (b) all options or awards granted under any other share option scheme or share schemes then in force, shall not exceed 15% of the total issued share capital of the Company (excluding treasury Shares) on the day immediately preceding the Date of Grant of the Options.

The aggregate number of Shares reserved as Option Pool in respect of all Options granted under the Plan available to Controlling Shareholders or Associates of the Controlling Shareholders (including adjustments made in accordance with Section 12 below) (excluding existing Options granted on or before 10 November 2025 under the 2015 Share Option Plan and Sub-Plan) shall not exceed 5% of the Shares available under the Plan. The number of Shares reserved as Option Pool in respect of all Options granted under the Plan available to each Controlling Shareholder or Associate of the Controlling Shareholder (including adjustments made in accordance with Section 12) (excluding existing Options granted on or before 10 November 2025 under the 2015 Share Option Plan and Sub-Plan) shall also not exceed 1% of the Shares available under the Plan.

6 Grant of Options

- 6.1 The Options shall be granted for no consideration.
- 6.2 Each Option granted pursuant to the Plan shall be evidenced by an Option Agreement.
- 6.3 Each Grantee shall be required to execute, in addition to the Option Agreement, any and all other documents required by the Company or any Affiliated Company, whether before or after the grant of the Options (including without limitation any customary documents and undertakings towards a trustee, if any, and/or the tax authorities). Notwithstanding anything to the contrary in this Plan or in any Sub-Plan, no Option shall be deemed granted unless all documents required by the Company or any Affiliated Company to be signed by the Grantee prior to or upon the grant of such Option, shall have been duly signed and delivered to the Company or such Affiliated Company.

7 Terms of Options

Option agreements between the Company and a Grantee will be in such form approved by the Board, which may be a general form or a specific form with respect to a certain Grantee.

Unless otherwise determined by the Committee (which determination shall not require shareholder approval, unless so required in order to comply with the provisions of applicable Mandatory Law (including, for the avoidance of doubt, the Listing Manual)) and provided accordingly in the applicable Option Agreement, such Option Agreement shall set forth, by appropriate language, the number of Options granted thereunder and the substance of all of the following provisions:

Annex A
Rules of the Trendlines Group Ltd. 2015 Global Share Option Plan

7.1 **Exercise Price:** The Exercise Price for each Grantee shall be as determined by the Committee and specified in the applicable Option Agreement; provided, however, that: (i) unless otherwise determined by the Committee (which determination shall not require shareholder approval, unless so required in order to comply with the provisions of applicable Mandatory Law (including, for the avoidance of doubt, the Listing Manual)), the Exercise Price shall be the Fair Market Value of the Shares on the Date of Grant; and (ii) where the Exercise Price is set at a discount to the Fair Market Value of the Shares, the maximum discount shall not exceed 20% of the Fair Market Value of the Shares (or such other percentage or amount as may be determined by the Committee and permitted by the Sponsor or (if required) any other stock exchange on which the Shares are quoted. Without derogating from and in addition to the provisions of Section 18 of the Plan, the Exercise Price shall be denominated in the currency of the primary economic environment of, at the Company's discretion, either the Company or the Grantee (that is the functional currency of the Company or the currency in which the Grantee is paid).

7.2 **Vesting:** Unless otherwise determined by the Committee with respect to any specific Grantee and/or to any specific grant (which determination shall not require shareholder approval unless so required in order to comply with the provisions of applicable Mandatory Law (including, for the avoidance of doubt, the Listing Manual)) and provided accordingly in the applicable Option Agreement, the Options shall vest (become exercisable) according to the following three year vesting schedule as detailed below:

- (i) For Options granted with the Exercise Price set at a Fair Market Value ("**Option Not Granted at a Discount**"):

| Period of Grantee's Continuous Service from the Start Date: | Portion of Total Number of Options that becomes Vested and Exercisable |
|--|---|
| Upon the completion of a full twelve (12) months of continuous Service | 34% |
| Upon the lapse of each full additional one (1) months of the Grantee's continuous Service thereafter, until all the Options are vested (i.e. 100% of the grant will be vested after 3 years) | 2.75% |

- (ii) Options granted with an Exercise Price set at a discount to the Fair Market Value ("**Option Granted at a Discount**"):

| Period of Grantee's Continuous Service from the Start Date: | Portion of Total Number of Options that becomes Vested and Exercisable |
|--|---|
| Upon the completion of a full twenty-four (24) months of continuous Service | 67% |
| Upon the lapse of each full additional one (1) months of the Grantee's continuous Service thereafter, until all the Options are vested (i.e. 100% of the grant will be vested after 3 years) | 2.75% |

Annex A
Rules of the Trendlines Group Ltd. 2015 Global Share Option Plan

For the purposes hereof, the “**Start Date**” shall mean the Date of Grant, unless otherwise determined by the Committee (which determination shall not require shareholder approval unless so required in order to comply with the provisions of the Companies Law), and provided accordingly in the applicable Option Agreement.

For the purposes hereof, the term “**Service**” means a Grantee’s employment or engagement by the Company or an Affiliated Company. Service shall be deemed terminated upon the effective date of the termination of the employment/engagement relationship. A Grantee’s Service shall not be deemed terminated or interrupted solely as a result of a change in the capacity in which the Grantee renders Service to the Company or an Affiliated Company (i.e., as an employee, officer, director, consultant, etc.); nor shall it be deemed terminated or interrupted due solely to a change in the identity of the specific entity (out of the Company and its Affiliated Companies) to which the Grantee renders such Service, provided that there is no actual interruption or termination of the continuous provision by the Grantee of such Service to any of the Company and its Affiliated Companies. Furthermore, a Grantee’s Service with the Company or Affiliated Company shall not be deemed terminated or interrupted as a result of any military leave, sick leave, or other bona fide leave of absence taken by the Grantee and approved by the Company or such Affiliated Company by which the Grantee is employed or engaged, as applicable; provided, however, that if any such leave exceeds ninety (90) days, then on the ninety-first (91st) day of such leave the Grantee’s Service shall be deemed to have terminated unless the Grantee’s right to return to Service with the Company or such Affiliated Company is secured by statute or contract. Notwithstanding the foregoing, unless otherwise designated by the Company or Affiliated Company, as the case may be, or required by Law, time spent in a leave of absence shall not be treated as time spent providing Service for the purposes of calculating accrued vesting rights under the vesting schedule of the Options. Without derogating from the aforesaid, the Service of a Grantee to an Affiliated Company shall also be deemed terminated in the event that such Affiliated Company for which the Grantee performs Service ceases to fall within the definition of an “Affiliated Company” under this Plan, effective as of the date said Affiliated Company ceases to be such. In all other cases in which any doubt may arise regarding the termination of a Grantee’s Service or the effective date of such termination, or the implications of absence from Service on vesting, the Board, in its discretion, shall determine whether the Grantee’s Service has terminated and the effective date of such termination and the implications, if any, on vesting.

The Committee shall be entitled, but not obliged, at its sole discretion, to accelerate, in whole or in part, the vesting schedule of any Option, including, without limitation, in connection with a Merger Transaction (as this term is defined in Section 7.4.2 below).

- 7.3 **Expiration Date:** Unless expired earlier pursuant to either Section 7.4 or Section 9 below, unexercised Options shall expire and terminate and become null and void upon the lapse of ten (10) years from the Date of Grant (the “**Expiration Date**”).
- 7.4 **Exercise Period:**
- 7.4.1 Each Option shall be exercisable from the date upon which it becomes vested until the Expiration Date of such Option (the “**Exercise Period**”).
- 7.4.2 Notwithstanding anything to the contrary contained in this Plan, in the event of a merger of the Company with or into another corporation which the Company is not the surviving entity, or the sale of all or substantially all the assets or the shares of the Company other than to a wholly-owned subsidiary of the Parent Company or other than in the framework of a corporate reorganization (such merger or sale: a “**Merger Transaction**”), the surviving or the acquiring

Annex A
Rules of the Trendlines Group Ltd. 2015 Global Share Option Plan

entity, as the case may be, or its respective parent company or subsidiary (the “Successor Entity”) may either assume the Company’s rights and obligations under outstanding Options or substitute the outstanding Options, as follows:

- (a) For purposes of this Section 7.4.2, the outstanding Options shall be deemed assumed or substituted by the Successor Entity if, following the consummation of the Merger Transaction, the outstanding Options confer the right to receive, for each share underlying any outstanding Option immediately prior to the consummation of the Merger Transaction, the same consideration (whether shares, cash or other securities or property) to which an existing holder of a Share on the effective date of consummation of the Merger Transaction was entitled; provided, however, that if the consideration to which such existing holder is entitled comprises consideration other than or in addition to securities of the Successor Entity, then the Committee may determine, with the consent of the Successor Entity, that the consideration to be received by the Grantees for their outstanding Options will comprise solely securities of the Successor Entity equal in their market value to the per share consideration received by the holders of Shares in the Merger Transaction.
- (b) In the event that the Successor Entity neither assumes nor substitutes all of the outstanding Options of a Grantee, then such Grantee shall have a period of fifteen (15) days (or if so decided by the Board, such longer period as the Committee may determine in its sole discretion) from the date designated by the Company in a written notice given to the Grantee (such date to be no earlier than the date upon which said notice is delivered to the Grantee) to exercise his or her Vested Options.
- (c) All Options, whether vested or not, which are neither assumed or substituted by the Successor Entity, nor exercised by the end of the said fifteen-day period, shall expire effective as of the date of the consummation of the Merger Transaction, whereupon they shall become null and void and shall no longer entitle the Grantee to any right in or towards the Company or the Successor Entity.

7.5 Exercise Notice and Payment:

Vested Options may be exercised at one time or from time to time during the Exercise Period, by giving a written notice of exercise (the “Exercise Notice”) to the Company, at their principal offices, in accordance with the following terms, or such other procedures as shall be determined from time to time by the Committee and notified in writing to the Grantees:

- (a) The Exercise Notice must be signed by the Grantee and must be delivered to the Company, prior to the termination of the Options, by certified or registered mail - return receipt requested, or by personal delivery, with a copy delivered to the Chief Financial Officer (or such other authorized representative) of the Affiliated Company with which the Grantee is employed or engaged, if applicable.
- (b) The Exercise Notice will specify the number of Vested Options being exercised.
- (c) The Exercise Notice will be accompanied by payment in full of the Exercise Price for the exercised Options and by such other representations and agreements as required by the Company with respect to the Grantee’s investment intent regarding the Exercised Shares. Payment will be made by personal check or cashier’s check payable to the order of the Company, or at the discretion of the Board, payment of such other lawful consideration as the Committee may determine (such as, by way of example,

Annex A
Rules of the Trendlines Group Ltd. 2015 Global Share Option Plan

cashless exercise), provided however, that in case of payment by check, the Options shall not be deemed exercised, and the Company shall not issue the Exercised Shares in respect thereof, until the check shall have been fully and irrevocably honored by the bank on which it was drawn.

- (d) Its being clarified that other methods of exercise may be available for any specific grant provided however such method has been approved by the Committee with respect to a specific Grantee, in advance.

7.6 *Conditions of Issuance:*

No Options shall be deemed exercised nor shall any Share be issued thereunder, until the Company has been provided with confirmation by the applicable tax authorities or is otherwise under a tax arrangement, which either: (a) waives or defers the tax withholding obligation with respect to such exercise and issuance; or (b) confirms receipt of the payment of all the tax due with respect to such exercise; or (c) confirms the conclusion of another arrangement with the Grantee regarding the tax amounts, if any, that are to be withheld by the Company or any Affiliated Company under Law with respect to such exercise, and which arrangement is satisfactory to the Company. If such confirmations/exemptions/arrangements are not available under the tax subjections of the Grantee, the Company shall be entitled to require as a condition of issuance that the Grantee remit an amount sufficient to satisfy all federal, state and other governmental withholding tax requirements related thereto. A determination of the Company's counsel that a withholding tax is required in connection with the exercise of Options shall be conclusive for the purposes of this requirement condition.

Furthermore, notwithstanding any other provision of this Plan, the Company shall have no obligation to issue or deliver Shares under the Plan unless the exercise of the Option and the issuance and delivery of the underlying Shares comply with, and do not result in a breach of, all applicable Laws, to the satisfaction of the Company in its sole discretion, and have received, if deemed desirable by the Company, the approval of legal counsel for the Company with respect to such compliance. The Company may further require the Grantee to satisfy any qualifications that may be necessary or appropriate, to evidence compliance with applicable Laws.

As a condition to the exercise of an Option, the Company may require, among other things, that: (a) the Grantee represent and warrant at the time of any exercise that the underlying Shares are being purchased only for investment and without any present intention to sell or distribute such Shares, and make such other representations, warranties and covenants as may be reasonably required to comply with applicable Laws; (b) a legend be stamped on the certificates representing such underlying Shares indicating that they may not be pledged, sold or otherwise transferred unless an opinion of legal counsel (acceptable by the Company's counsel) stating that such transfer is not in violation of any applicable Law, is provided; and/or (c) the Grantee execute and deliver to the Company such an agreement as may be in use by the Company setting forth certain terms and conditions applicable to the Shares.

8 **Transferability**

8.1 The Options are not publicly traded.

8.2 Other than by will or Laws of descent, neither the Options nor any of the rights in connection therewith shall be assignable, transferable, made subject to attachment, lien or encumbrance

Annex A
Rules of the Trendlines Group Ltd. 2015 Global Share Option Plan

of any kind, and the Grantee shall not grant with respect thereto any power of attorney or transfer deed, whether valid immediately or in the future.

- 8.3 Following the exercise of Vested Options, the Exercised Shares shall be transferable; provided, however, that Exercised Shares may be subject to applicable securities regulations, a right of first refusal, one or more repurchase options, market stand-off provisions, lock up periods and such other conditions and restrictions as may be included in the Company's Articles, any shareholders' agreement to which the holders of Shares are bound, the Plan, any applicable Sub-Plan, the applicable Option Agreement, and/or any conditions and restrictions included in the Company's Securities Law Compliance Manual/Insider Trade Policy, or similar document, if any, all as determined by the Committee in its discretion, provided however, that for as long as the Company is not publicly traded, a Grantee shall not transfer any Exercised Shares, prior to the lapse of twelve (12) months and one day from the date on which s/he exercised the Options. The Company shall have the right to assign at any time any repurchase right or right of first refusal it may have, whether or not such right is then exercisable, to one or more persons as may be selected by the Company. Upon request by the Company, the Grantee shall execute any agreement or document evidencing such transfer restrictions prior to the receipt of Exercised Shares hereunder, and shall promptly present to the Company any and all certificates representing Exercised Shares for the placement on such certificates of appropriate legends evidencing any such transfer restrictions.

Annex A
Rules of the Trendlines Group Ltd. 2015 Global Share Option Plan

- 9.2 Upon the termination of a Grantee's Service, for any reason whatsoever, any Options granted in favor of such Grantee which are not Vested Options, shall immediately expire and terminate and become null and void.
- 9.3 Additionally, in the event of the termination of a Grantee's Service for Cause, (a) all of such Grantee's Vested Options shall also, upon such termination for Cause, immediately expire and terminate and become null and void; and (b) any and all of such Grantee's Exercised Shares shall be subject to the Company's "Repurchase Right", as described below.

For the purposes hereof the term "**Cause**" shall mean: (a) the conviction of the Grantee for any felony involving moral turpitude or affecting the Company or any Affiliated Company; (b) the embezzlement of funds of the Company or any Affiliated Company; (c) any breach of the Grantee's fiduciary duties or duties of care towards the Company or any Affiliated Company (including without limitation any disclosure of confidential information of the Company or any Affiliated Company or any breach of a non-competition undertaking); (d) any conduct in bad faith reasonably determined by the Committee to be materially detrimental to the Company or, with respect to any Affiliated Company, reasonably determined by the Committee of Directors of such Affiliated Company to be materially detrimental to either the Company or such Affiliated Company; or (e) any other event classified under any applicable agreement between the Grantee and the Company or the Affiliated Company, as applicable, as a "Cause" for termination or by other language of similar substance.

The Company's "**Repurchase Right**" shall be as follows: If any Grantee's Service is terminated by the Company for Cause, then, within one hundred and eighty (180) days after such termination, the Company shall have the right, but not the obligation, to repurchase from the Grantee, or his or her legal representative, as the case may be, all or part of the Shares s/he exercised pursuant to the Options, if any. The Repurchase Right shall be exercised by the Company by giving the Grantee, or his/her legal representative written notice, within said one hundred and eighty (180) days, of its intention to exercise the Repurchase Right, indicating the number of such Exercised Shares to be repurchased and the date on which the repurchase is to be effected, and shall pay the Grantee for each such Exercised Share being repurchased, an amount equal to the price originally paid by the Grantee for such Exercised Shares, subject to adjustments as provided in Section 12 below. The certificate(s) representing such Exercised Shares to be repurchased shall, prior to the close of business on the date specified for the repurchase, be delivered to the Company together with a duly endorsed share assignment certificate. Payment shall be made in cash, cash equivalents, or in any other way of payment allowed under any applicable Law, and authorized by the Board. Concurrently with the exercise of the Repurchase Right, if exercised, the Grantee (or the holder of the Exercised Shares so repurchased) shall no longer have any rights as a holder of such repurchased Exercised Shares. Such repurchased Exercised Shares shall be deemed to have been repurchased, whether or not the certificate(s) therefore have been delivered. If the Grantee fails to deliver such share certificate(s), the Company shall be entitled to take such action as may be necessary to remove the requisite number of Shares registered in the name of the Grantee from the books and records of the Company. The Repurchase Right shall be in addition to any and all other rights and remedies available to the Company.

In the event that the Company shall be prohibited, on account of any applicable Mandatory Law (including, for the avoidance of doubt, the Listing Manual), from repurchasing Exercised Shares, the Company may assign the Repurchase Right to its wholly owned subsidiary, or if the same is not possible on account of any applicable Law, to all of the shareholders of the Company at the time of the exercise of said right (excluding other shareholders pursuant to the exercise of Options), on a pro-rata, as converted basis, all under the same terms and conditions set forth

Annex A
Rules of the Trendlines Group Ltd. 2015 Global Share Option Plan

in this Plan, in which event the Company shall inform the Grantee of the identity of the particular assignee in the Company's notice, and the provisions of this Section regarding the Company shall apply to such assignee(s), mutatis mutandis.

In the event that at the time the Company wishes to exercise its Repurchase Right, the Grantee does not own a sufficient number of Exercised Shares to satisfy the Company's Repurchase Right, in addition to performing any obligations necessary to satisfy the Company's Repurchase Right, the Company may require the Grantee to deliver to the Company, for each Exercised Share that is the subject of the Repurchase Right and is not available for repurchase as it has been sold or transferred, an aggregate cash amount, equal to the difference between the Fair Market Value of each such missing Share and the price originally paid by the Grantee to the Company for each such Exercised Share, as adjusted.

- 9.4 Unless otherwise determined by the Committee (which determination shall not require shareholder approval, unless so required in order to comply with the provisions of applicable Mandatory Law (including, for the avoidance of doubt, the Listing Manual)), following termination of Grantee's Service other than for Cause, the Expiration Date of such Grantee's Vested Options shall be deemed the earlier of: (a) the Expiration Date of such Vested Options as was in effect immediately prior to such termination; or (b) three (3) calendar months following the date of such termination or, if such termination is the result of death or disability of the Grantee, twelve (12) calendar months from the date of such termination.
- 9.5 Notwithstanding anything to the contrary herein, upon the issuance of a court order declaring the bankruptcy of a Grantee, or the appointment of a receiver or a provisional receiver for a Grantee over all of his assets, or any material part thereof, or upon making a general assignment for the benefit of his creditors, any outstanding Options issued in favor of such Grantee (whether vested or not) shall immediately expire and terminate and become null and void and shall entitle neither the Grantee nor the Grantee's receiver, successors, creditors or assignees to any right in or towards the Company or any Affiliated Company in connection with the same, and all interests and rights of the Grantee or the Grantee's receiver, successors, creditors or assignees in and to the same, shall expire.

10 Rights as Shareholder, Voting Rights, Dividends and Bonus Shares

- 10.1 It is hereby clarified that a Grantee shall not, by virtue of this Plan, any applicable Sub-Plan or the applicable Option Agreement or any Option granted to the Grantee, have any of the rights or privileges of a shareholder with respect to the Shares underlying the Options, until the Options have been exercised and the Exercised Shares issued in the Grantee's name. In addition, the Grantee shall not be deemed to be a class of shareholders or creditors of the Company for the purpose of all applicable Law, including for purpose of the operation of sections 350 and 351 of the Companies Law or any successor to such section until registration of the Grantee as holder of such Shares in the Company's register of shareholders upon exercise of the Option in accordance with the provisions of the Plan.
- 10.2 Shares allotted and issued upon the exercise of an Option shall be subject to all provisions of the Company's Articles and shall rank pari passu in all respects with the then existing issued Shares in the capital of the Company except for any dividends, rights, allotments or other distributions, the Record Date for which is prior to the date such Option is exercised.
- 10.3 Notwithstanding anything to the contrary herein or in the Company's Articles, none of the Grantees shall have (and they hereby waive the right to have), any pre-emptive rights to purchase, along with the other shareholders in the Company, a pro rata portion of any securities

- 10.5 All bonus shares to be issued by the Company, if any, with regard to the Exercised Shares held by a trustee, if any, shall be registered in the name of such trustee and all provisions applying to such Exercised Shares, shall apply to the bonus shares issued by virtue thereof, *mutatis mutandis*.
- 10.6 Shares which are allotted on the exercise of an Option by a Grantee shall be issued, as the Grantee may elect, in the name of CDP to the credit of the securities account of the Grantee maintained with CDP or the Grantee's securities sub-account with a CDP Depository Agent unless otherwise required under any Sub-Plan.

11 Liquidation

In the event that the Company is liquidated or dissolved while unexercised Options remain outstanding under the Plan, then all or part of such outstanding Options may be exercised in full by the Grantees as of immediately prior to the effective date of such liquidation or dissolution of the Company, without regard to the vesting terms thereof.

12 Adjustments and Alterations

- 12.1 If a variation in the issued share capital of the Company, whether by way of a share split, reverse share split, combination or reclassification of the Shares, rights issue, capital reduction, sub-division or consolidation, as well as for any distribution of bonus shares, should take place, then:

- (a) the Exercise Price for the Options, class and/or number of Shares comprised in the Options to the extent unexercised and the rights attached thereto; and/or
- (b) the class and/or number of Shares in respect of which additional Options may be granted to persons eligible for participation in the Plan,

For avoidance of doubt, no adjustment shall be made by virtue of: (a) the distribution, if any, of any cash or similar dividend; and (b) issue of securities as consideration for an acquisition.

- 12.2 Notwithstanding the provisions of Section 12.1 above, no such adjustment shall be made: (a) if as a result, the Grantee receives a benefit that a Shareholder does not receive; and (b) unless the Committee, after considering all relevant circumstances, considers it equitable to do so.

4 102 Trustee Options

4.1 *Grant in the Name of Trustee:*

Notwithstanding anything to the contrary in the Plan, 102 Trustee Options granted hereunder shall be granted to, and the Exercised Shares issued pursuant thereto and all rights attached thereto (including bonus shares), issued to, the Trustee, and all such options and shares shall be registered in the name of the Trustee, who shall hold them in trust until such time as they are released by the transfer or sale thereof by the Trustee. In case the requirements of Section 102 for 102 Trustee Options are not met, then the 102 Trustee Options may be regarded as 102 Non-Trustee Option, all in accordance with the provisions of Section 102. Notwithstanding anything to the contrary in the Plan, the Date of Grant of a 102 Trustee Option shall be the date determined by the Committee to be the effective date of the grant of the 102 Trustee Options to an Israeli Grantee, or, if the Committee has not determined such effective date, the date of the resolution of the Committee approving the grant of such Options, which in the case of 102 Trustee Options shall not be before the lapse of 30 days (or such other period which may be determined by the Ordinance from time to time) from the date upon which the Plan is first submitted to the relevant Israeli Tax Authorities.

4.2 *Exercise of Vested 102 Trustee Options:*

Unless other procedures shall be determined from time to time by the Committee and notified to the Israeli Grantees, the mechanism of exercising vested 102 Trustee Options shall be in accordance with the provisions of the Plan, except that any notice of exercise of 102 Trustee Options shall be made in such form and method in compliance with the provisions of Section 102 and shall also be delivered in copy to the authorised representative of the Affiliated Company with which the Israeli Grantee is employed and/or engaged, if applicable, and to the Trustee. For avoidance of doubt, the exercise of vested 102 Trustee Options shall also be subject to the vesting schedule in Section 7.2 and the restrictions in Sections 7.2(i) and (ii) of the Plan.

4.3 *Restrictions on Transfer:*

- (a) 102 Trustee Options and the Exercised Shares issued pursuant to the exercise thereof, and all rights attached thereto (including bonus shares), shall be held by the Trustee for such period of time as required by the provisions of Section 102 applicable to Options granted through a Trustee in the applicable tax track, as per the Election (the “**Restricted Period**”).
- (b) Subject to the provisions of Section 102 and any rules or regulation or orders or procedures promulgated thereunder, the Israeli Grantee shall provide the Company and the Trustee with a written undertaking and confirmation under which the Israeli Grantee confirms that s/he is aware of the provisions of Section 102 and the Elected tax track and agrees to the provisions of the Trust Agreement between the Company and the Trustee, and undertakes not to release, by sale or transfer, the 102 Trustee Options, and the Exercised Shares issued pursuant to the exercise thereof, and all rights attached thereto (including bonus shares) prior to the lapse of the Restricted Period. The Israeli Grantee shall not be entitled to sell or release from trust the 102 Trustee Options, nor the Exercised

Shares issued pursuant to the exercise thereof, nor any right attached thereto (including bonus shares), nor to request the transfer or sale of any of the same to any third party, before the lapse of the Restricted Period. Notwithstanding the above, if any such sale or transfer occurs during the Restricted Period, the sanctions under Section 102 of the Ordinance and under any rules or regulation or orders or procedures promulgated thereunder shall apply to and shall be borne by such Israeli Grantee.

- (c) Without derogating and subject to the above, and to all other applicable restrictions in the Plan, this Sub-Plan, the Israeli Option Agreement and applicable Law, the Trustee shall not release, by sale or transfer, the Exercised Shares issued pursuant to the exercise of the 102 Trustee Options, and all rights attached thereto (including bonus shares) to the Israeli Grantee, or to any third party to whom the Israeli Grantee wishes to sell the Exercised Shares (unless the contemplated transfer is by will or laws of descent) unless and until the Trustee has either (a) withheld payment of all taxes required to be paid upon the sale or transfer thereof, if any, or (b) received confirmation either that such payment, if any, was remitted to the tax authorities or of another arrangement regarding such payment, which is satisfactory to the Company and the Trustee. For the removal of doubt, it is clarified that the Trustee may release by sale or transfer to a third party only Exercised Shares (and not Options).

4.4 *Rights as Shareholder:*

Without derogating from the provisions of the Plan, it is hereby further clarified that with respect to Exercised Shares issued pursuant to the exercise of 102 Trustee Options, as long as they are registered in the name of the Trustee, the Trustee shall be the registered owner of such shares. Notwithstanding, the Trustee shall not exercise the voting rights conferred by such Exercised Shares in any way whatsoever, and shall not issue a proxy to any person or entity to vote such shares (other than to the applicable Israeli Grantee, subject to and in accordance with the provisions of Section 102). Notwithstanding, the Company shall be entitled at its sole discretion, to distribute dividends directly to the Israeli Grantees, subject to tax withholding at source.

4.5 *Bonus Shares:*

All bonus shares to be issued by the Company, if any, with regard to Exercised Shares issued pursuant to the exercise of 102 Trustee Options, while held by the Trustee, shall be registered in the name of the Trustee; and all provisions applying to such Exercised Shares shall apply to bonus shares issued by virtue thereof, if any, mutatis mutandis. Said bonus shares shall be subject to the Restricted Period of the Exercised Shares by virtue of which they were issued.

4.6 *Conditions of Issuance:*

Without derogating from the provisions of Section 7.6 of the Plan, and in addition thereto, the arrangements with the tax authorities referred to therein shall, in the event of 102 Trustee Options, also need to be satisfactory to the Trustee.

5 **Section 102 Election**

- 5.1 102 Trustee Grants shall be made pursuant to either: (a) Section 102(b)(2) of the Ordinance

Annex A
Rules of the Trendlines Group Ltd. 2015 Global Share Option Plan
Rules of the Sub-Plan for Grantees Subject to Israeli Taxation

as 102 Capital Gains Track Grants; or (b) Section 102(b)(1) of the Ordinance as 102 Ordinary Income Track Grants. The Company's Election regarding the type of 102 Trustee Grant it chooses to make shall be filed with the ITA. Once the Company has filed such Election, it may change the type of 102 Trustee Grant that it chooses to make only after the lapse of at least 12 months from the end of the calendar year in which the first grant was made in accordance with the previous Election, in accordance with Section 102. For the avoidance of doubt, such Election shall not prevent the Company from granting Non-Trustee Grants to Eligible 102 Grantees at any time.

- 5.2 Eligible 102 Grantees may receive only 102 Trustee Options or Non-Trustee Options under this Sub-Plan. Grantees who are not Eligible 102 Grantees may be granted only 3(i) Options under this Sub-Plan.
- 5.3 The Israeli Option Agreement shall indicate whether the grant is a 102 Trustee Option, a Non-Trustee Option or a 3(i) Option; and, if the grant is a 102 Trustee Grant, whether it is a 102 Capital Gains Track Grant or a 102 Ordinary Income Track Grant.

6 Terms and Conditions of 102 Trustee Grants

- 6.1 Each 102 Trustee Option granted to an Eligible 102 Grantee shall be held by the Trustee and each certificate for Shares acquired pursuant to the exercise or vesting of an Option or issued directly as Shares, shall be issued to and registered in the name of the Trustee and shall be held in trust for the benefit of the Grantee for the Restricted Period. After termination of the Restricted Period, the Trustee may release such Option and any such Shares, provided that: (i) the Trustee has received an acknowledgement from the ITA that the Eligible 102 Grantee has paid any applicable tax due pursuant to the Ordinance; or (ii) the Trustee and/or the Company or its Affiliate withholds any applicable tax due pursuant to the Ordinance. The Trustee shall not release any 102 Trustee Options or Shares issued thereunder prior to the full payment of the Eligible 102 Grantee's tax liabilities arising from the grant, exercise or vesting of the Option or the issuance of the Shares.
- 6.2 During the Restricted Period, the Eligible 102 Grantee shall not require the Trustee to release or sell the Options or Shares issued thereunder and other Shares received subsequently following any realisation of rights derived from Options or Shares (including distributions of profits) to the Eligible 102 Grantee or to a third party, unless permitted to do so by applicable Law. Notwithstanding the foregoing, the Trustee may, pursuant to a written request and subject to applicable Law, release and transfer such Shares to a designated third party, provided that both of the following conditions have been fulfilled prior to such transfer: (i) all taxes required to be paid upon the release and transfer of the Shares have been withheld for transfer to the tax authorities; and (ii) the Trustee has received written confirmation from the Company that all requirements for such release and transfer have been fulfilled according to the terms of the Company's corporate documents, the Plan, any applicable agreement and any applicable Law. For the avoidance of doubt, such sale or release during the Restricted Period will result in different tax ramifications to the Eligible 102 Grantee under Section 102 of the Ordinance and the Rules and/or any other regulations or orders or procedures promulgated thereunder, which shall apply to and shall be borne solely by such Eligible 102 Grantee.
- 6.3 In the event a distribution of profit is declared and/or additional rights are granted with respect to Shares which derive from 102 Trustee Grants, such distribution and/or rights shall also be subject to the provisions of this Section 6.3 and the Restricted Period

Annex A
Rules of the Trendlines Group Ltd. 2015 Global Share Option Plan

for such Shares and/or rights shall be measured from the commencement of the Restricted Period for the Options with respect to which the distribution was declared and/or rights granted. In the event of a cash distribution on Shares and subject to Company's approval, the Trustee shall transfer the distribution proceeds to the Eligible 102 Grantee after deduction of taxes and mandatory payments in compliance with applicable withholding requirements.

- 6.4 The Company shall be under no duty to ensure, and no representation or commitment is made, that any of the Options qualifies or will qualify under any particular tax treatment (such as Section 102), nor shall the Company be required to take any action for the qualification of any of the Options under such tax treatment. The Company shall have no liability of any kind or nature in the event that, for any reason whatsoever, the Options do not qualify for any particular tax treatment.
- 6.5 The Grantee shall comply with all terms and conditions set forth in Section 102 with regard to the applicable tax track and the rules and regulations promulgated thereunder, as amended from time to time.
- 6.6 The Grantee is familiar with, and understand the provisions of Section 102 in general, and the tax arrangement under the applicable tax track in particular, and its tax consequences; the Grantee agrees that the Options and any shares that may be issued upon exercise of the Options (or otherwise in relation to the Options), will be held by the Trustee for at least the duration of the Required Minimum Trust Period. The Grantee understands that any release of such Options or shares from trust, or any sale of the share prior to the termination of the Restricted Period, will result in taxation at marginal tax rate, in addition to deductions of appropriate social security, health tax contributions or other compulsory payments.

7 102 Non-Trustee Options

- 7.1 102 Non-Trustee Options granted hereunder shall be granted to, and the Exercised Shares issued pursuant to the exercise thereof, issued to, the Israeli Grantee.
- 7.2 Without derogating and subject to the above, and to all other applicable restrictions in the Plan, this Sub-Plan, the Israeli Option Agreement and applicable Law, the Exercised Shares issued pursuant to the exercise of the 102 Non-Trustee Options, and all rights attached thereto (including bonus shares) shall not be transferred unless and until the Company has either: (a) withheld payment of all taxes required to be paid upon the sale or transfer thereof, if any; or (b) received confirmation either that such payment, if any, was remitted to the tax authorities or of another arrangement regarding such payment, which is satisfactory to the Company. For avoidance of doubt, the exercise of vested 102 Non-Trustee Options shall also be subject to the vesting schedule in Section 7.2 and the restrictions stated in Sections 7.2(i) and (ii) of the Plan unless otherwise determined by the Committee.
- 7.3 An Israeli Grantee to whom 102 Non-Trustee Options are granted must provide, upon termination of his/her employment, a surety or guarantee to the satisfaction of the Company, to secure payment of all taxes which may become due upon the future transfer of his/her Exercised Shares to be issued upon the exercise of his/her outstanding 102 Non-Trustee Options, all in accordance with the provisions of Section 102.
