

SAFE TRAVEL WITH TRESKO BOAT SERVICES DURING COVID-19

We look forward to welcoming islanders and guests onboard our services again. Please note the following safety procedures which are now in place on all services for the safety of our passengers and crew.

Do not travel if you or anyone in your party/household have experienced Coronavirus symptoms in the last 7 days, if you share a household with someone who has had symptoms in the last 14 days, or have been contacted by NHS Test & Trace.

Face coverings are mandatory for all passengers, unless you are exempt. You must supply your own face covering and wear it throughout the journey. You will be unable to travel without an appropriate face covering.

All passengers should use hand sanitiser or thoroughly wash their hands before boarding the boat, and after disembarkation.

All touchpoints including handrails, door handles and seating will be sanitised regularly. The saloon and toilet on Firethorn will be closed.

We can now accept contactless card payments (including mobile pay); please use this wherever possible. Tresco and Hell Bay Hotel guests may charge to their accommodation by calling 01720 423373 prior to travel.

With regret, we cannot currently assist passengers with embarking or disembarking the boat, or with hand luggage (e.g. shopping)

All luggage must be clearly labelled with your name, contact number, holiday address/island and coloured island label if travelling by Scillonian.
