

# COVID-19 Baseball Safety Guidelines

## Spectators

Last updated: 28 July 2020

**Do you have symptoms?**

**Have you had Exposure?**

**If you answered "yes" to the mentioned, then follow government guidelines and do not attend the event.**

- Spectators must adhere to government social distancing guidelines.
- Adults 70 years and older and people of any age who have severe underlying medical conditions are strongly encouraged not to attend events at this time.
- Home teams or who is accountable for the venue should be monitoring the number of spectators at a fixture or practise.
- Spectators are encouraged (however it is not mandatory) to wear a face mask or facial covering while attending the event. No physical contact with others, e.g., no handshakes, high fives, bumps, hugs.
- Avoid coming in contact with any event equipment or foul balls.
- Do not bring tents, tables or blankets. Bring a hand sanitiser and it is recommended to use it periodically.
- Walk to the event when possible. If you take public transportation, follow transport guidelines, e.g., wear a mask.
- Avoid talking, shouting or raising your voices at events. Refrain from spitting, eating or rinsing out your mouth.
- Avoid going into clubhouses or confined areas.
- Do not enter the field or dugouts.
- Avoid passing out, collecting any material or exchanging of items.
- Throw away your rubbish. Avoid touching your mouth and nose.
- Bring closed containers or sealed bags for all disposable and reusable hygiene material (e.g. tissue, towels, etc.).
- Avoid items (handles) that come into frequent contact.
- No autographs. Persons from different households should not use carpool unless necessary, as per current government guidelines.
- If carpooling is essential, the vehicle should be well ventilated, and all occupants should wear masks.
- You need to register with those accountable for the event facility and your contact details for rolling of the 21 days.
- Follow government social distancing and other guidelines as applicable. Follow venues entry and exit and parking arrangements to venues that ensures social distancing can be maintained.
- Follow venues appropriate signage to facilitate social distancing at all points throughout the facility and car park.
- Follow venues traffic flow systems where possible and appropriate.
