

## Recovery Snapshot: Week of June 22

*Updated June 23, 2020 at 6:21 AM*

Here's a quick overview of updates and a look ahead in our recovery planning:

Perioperative Service	<ul style="list-style-type: none"><li>• June 22 is the next phase of recovery, bringing us to 98% capacity; new procedure center rooms to open on June 22</li><li>• Continuing to work with testing team to simplify process for pre-procedural testing prior to day of surgery</li><li>• Developing plan to allow for restart of add-on Emergency Department cases at Liberty</li></ul>
Ambulatory Services	<ul style="list-style-type: none"><li>• Operating at 78% typical volume, with 68% on-site/32% telehealth; beginning to see drift downward in both the percent and total number of telehealth visits</li><li>• Transition back to centralized scheduling is ongoing, although, it continues to be challenging to create stable, predictable schedules into the future for both telehealth and on-site clinics</li><li>• Developing plan for full volume recovery</li></ul>
Radiology	<ul style="list-style-type: none"><li>• Total outpatient volume was 85% typical volume the week of June 8; around 90% the week of June 15</li><li>• Saturday VSS clinics will continue through June 27</li><li>• Extended ultrasound hours at Green Township and Liberty ended on June 19; patient backlog has been cleared</li></ul>
Inpatient	<ul style="list-style-type: none"><li>• Average Daily Census for Burnet is ~12% (319/day) above the COVID-19 baseline</li><li>• Liberty TCC unit reopens June 22</li><li>• Phase 2 of the Special Isolation Unit (SIU) begins June 22</li><li>• 60 new interns begin working on the units starting June 25</li></ul>
Research	<ul style="list-style-type: none"><li>• Adding an additional 371 people to campus beginning June 22</li></ul>

	<ul style="list-style-type: none"><li>• Maintaining social distancing with numbers of staff onsite at any time</li></ul>
Education	<ul style="list-style-type: none"><li>• Placed 48% of APP students for the summer semester</li><li>• Determining orientation process (online or in-person) for our incoming graduate students</li><li>• 60 new interns arrived for orientation; will begin clinicals on June 25</li><li>• Meeting with Recovery Leadership on June 23, to discuss planning for learners and social distancing</li></ul>
