Reading Charity

Thank you for supporting Bookmark Reading Charity!

Bookmark was set up in 2018 with a very simple vision: we want every child to read.

Currently, more than 1 in 4 children leave primary school unable to read well. This disproportionately impacts children from disadvantaged backgrounds, who leave primary school on average a year behind their peers. The Education Endowment Foundation reports that only 10% of these children go on to pass their English and Maths GCSE.

Children need us now more than ever. Here you will find everything you need to know to organise your fundraising activities and tips to help you reach your fundraising targets.

Thank you, on behalf of all the children supported by Bookmark, for helping us address the UK literacy challenge. With your help, more children can experience the joy of reading and have a fairer start in life.

Good luck!

Community fundraising

WHAT IS A COMMUNITY FUNDRAISER?

A way of bringing the community together, community fundraisers help raise money for a specific cause or a charity. There are many different ways to fundraise in the community, the most popular being bake sales and raffles.

WHAT MAKES A GOOD COMMUNITY FUNDRAISER?

A good community fundraiser will always be one that brings people together. Successful community fundraisers will also make people more aware of the charity and the story behind it. Good organisation and planning will help ensure success.

HOW TO PROMOTE A COMMUNITY FUNDRAISER

Social media posts and creating an online event to give more detail about dates and timing can attract attention as well as flyer distribution and posters in the local community.

“I wanted to fundraise for Bookmark because of the charity’s commitment to help children find enjoyment in reading and, more broadly, in learning.”

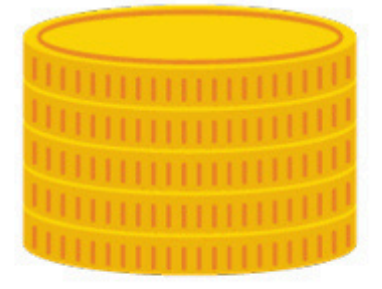

– **Jacky Cheng**

“I decided to support Bookmark in my challenge to climb Kilimanjaro in 2019. Bookmark do a fantastic job supporting children to learn to read so that they can go on and fulfill their potential in life.”

– **Richard MacMillan**

The difference your support could make...

Mya is 5 years old and in Year 2 at a school in Tower Hamlets, London. Her school has identified her as a vulnerable child. There is not a lot of time for her to read with an adult at home.

Mya's phonic and literacy assessments showed she was below the expected standard of reading at her age. Her difficulties with reading were also affecting her learning in class and meant she wasn't making much progress.

Fortunately for Mya, her school partnered with Bookmark to deliver support to children who were falling behind with their reading. Since reading with Bookmark volunteers, Mya's teaching assistant has seen a great improvement in her attitude to reading. Her confidence has also grown.

Top 10 tips for planning your fundraiser

1 USE THE WHOLE COMMUNITY
People are at the heart of fundraising. This is a great way to make new friends and learn new things.

2 GET CREATIVE
The more creative you are, the more likely the fundraising idea will reach further limits.

3 USE YOUR INTERESTS AND HOBBIES
If you're struggling with ideas, think of something that you enjoy, know about and do often.

4 EVERYONE LOVES FOOD
A great fundraising activity always involves food. Who can resist! Cakes and sweets can never go wrong!

5 CHALLENGE YOURSELF
Go above and beyond. You are not only doing something for an amazing cause but doing this for you! You may learn new skills and grow.

6 BUDGET
Keep a clear record of what you spend and raise. Try and keep costs as low as possible. The lower the cost, the greater the impact your fundraising will have.

7 SET YOURSELF A TARGET
Decide how much you want to raise and keep things realistic.

8 DECIDE A PLAN OF ACTION EARLY
Organisation is key to fundraising. Know exactly what, where, when, who and why of everything that is involved in fundraising and carrying out an event.

9 ENJOY YOURSELF
You are making a massive difference to a child's life so should enjoy every moment. Have fun fundraising and working with your community.

10 THANK EVERYONE
Make sure you thank all those who supported you to let them know what a difference everyone has made!

How to keep fundraising safe and legal

MANAGE RISK

It is important to think about risks and accidents and associated legal issues when fundraising. Even if the setting is familiar- a local school or your workplace- be aware of risks. Carry out a risk assessment to mitigate possible problems.

Ensure any venue hires have public liability or relevant insurance.

FIRST AID

All events should have access to a first aid kit, or more active events may need a qualified first aid trainer or volunteer support from St John's Ambulance or the British Red Cross.

RAFFLES

You can have a raffle, tombola, or sweepstake at your event without a licence if the tickets are all the same price and are

sold during the event. You can name the winners during or after the event.

Click here to read more about raffles at events: www.gamblingcommission.gov.uk/public-and-players/guide/how-to-run-a-lottery-orfundraiser

Here is a detailed guide to help you decide if you need a licence:

www.gamblingcommission.gov.uk/public-and-players/guide/page/types-of-lotteryyou-can-run-without-alicence

SECURITY

If the fundraising event is crowded, there may need to be crowd control or extra security measures in place when collecting cash. This is to ensure all participants feel safe and secure.

Easy ways to pay in your fundraising and donations

Your donations help us to support children who are at risk of falling behind with their reading.

GIFT AID

To maximise your fundraising efforts, don't forget to ask your supporters and colleagues to use Gift Aid on their donations. Gift Aid is a wonderful scheme that gives charities like us the opportunity to claim back the UK tax that supporters have already paid on their donations. So, every £1 becomes £1.25 at no additional cost to the donor!

JUST GIVING

You can make a quick and easy donation today and give children the gift of reading. Use this link: www.justgiving.com/bookmarkreading

BY POST

You can send cheques, payable to Bookmark Reading Charity, Charles House, 5-11 Regent Street St James's, London, SW1Y 4LR.

EVEN MORE WAYS ON THE NEXT PAGE!

DIRECT DEBIT

By giving a regular, fixed amount to Bookmark you can help us as we grow to support more children nationally, at a time when our reading programmes are needed more than ever.

We will keep you up to date on our work and show you how your donation gives more children the life-changing gift of literacy support.

PAYROLL GIVING

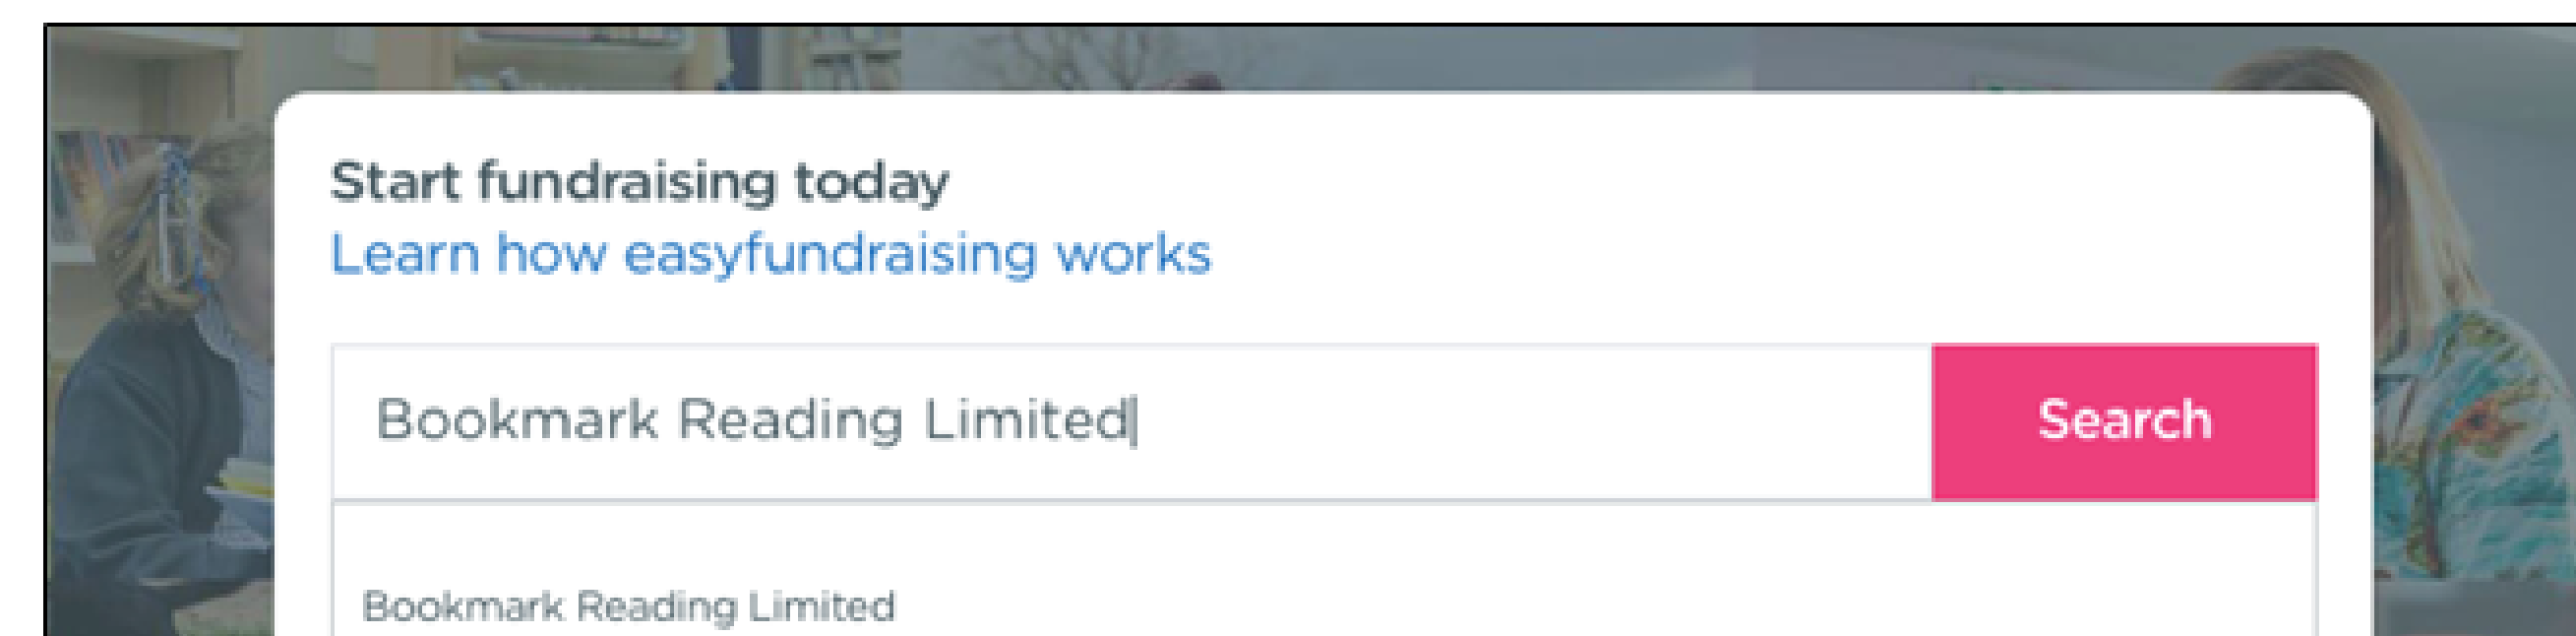

Give something back on payday by making a monthly payroll donation to Bookmark. Donations are deducted before you pay tax. This means if you choose to donate £10, only £8 would be removed from your pay and we would claim the rest through Gift Aid from HMRC. Your generous gift would go even further towards helping children with their reading. Contact your payroll manager and ask them to set up payroll giving for Bookmark Reading Charity.

GIVE WHILE YOU SHOP

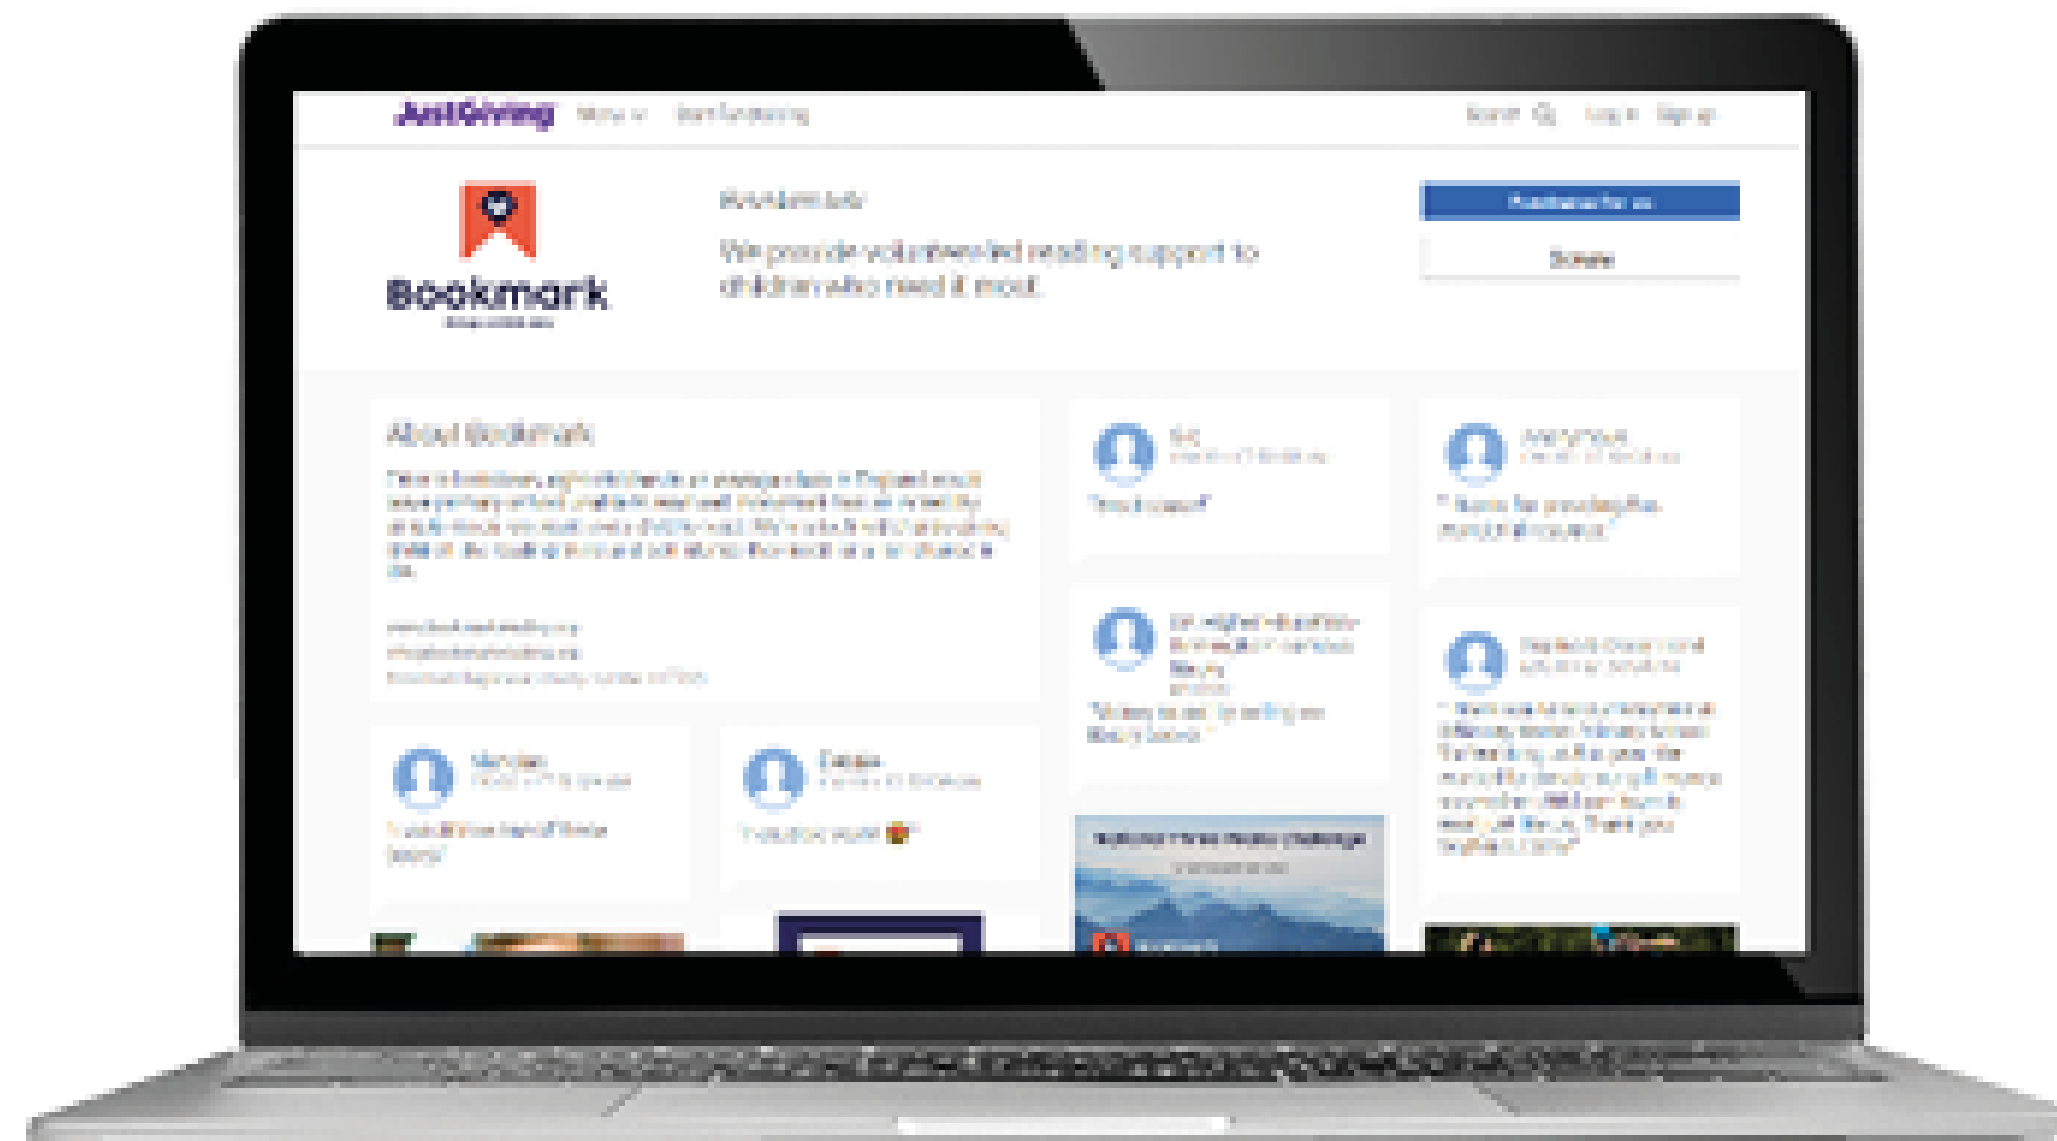

You can donate to Bookmark when you shop online, at no extra cost!

Visit Easy Fundraising: www.easyfundraising.org.uk and search for 'Bookmark Reading Limited' and select 'Support this cause'. Create an account and you're ready to start supporting Bookmark! Shop at one of thousands of their partner brands and Bookmark will receive a donation.
